SEO Changelog: Private Sunset Cruise

URL: https://crabislandtikitoursdestin.com/charters/private-sunset-cruise-in-destin-fl/ | WP page ID 267 (Elementor, Rank Math) | Last modified September 28, 2026 | Audit date: October 28, 2026 | Page 3 of the site queue

Method: content, headings, links, images and SEO meta were pulled from WordPress through the site connector. The live URL could not be loaded from the audit environment, so rendered-page checks are listed as checks to run.

1. Summary

Item	Current state
Role	Product page for the 1.5-hour private sunset cruise (FareHarbor item 712850). Should rank for "destin sunset cruise", "private sunset cruise destin" and "sunset dolphin cruise destin".
SEO title	Private Sunset Cruise in Destin, FL (35 characters, no "dolphin", no brand, unused space)
Meta description	133 characters, ends with a stray line break, no capacity or price
H1	Private Sunset Cruise in Destin, FL (fine)
Body copy	About 550 words, but the five FAQ answers appear twice: once in the accordion and again as plain paragraphs underneath. The intro under the H1 is one sentence.
Facts confirmed on this page	1.5 hours, up to 18 people, from $400, BYOB-friendly, cooler with ice, Bluetooth speaker, route through Destin Harbor and Choctawhatchee Bay. Use these to fill the open questions on the Home and Private Charter changelogs.
Internal links	1 link to a site page (private charter, through an image). No links to Home, Bachelorette, FAQs, Contact or any guide.
Images	4 images, 3 with empty alt text. No featured image.

2. Critical fixes

#	Issue	Fix
1	P1 Duplicate FAQ text	All five FAQ answers are output a second time as plain paragraphs after the accordion. It is likely a leftover Text Editor widget or a second FAQ widget set to hidden. Delete the copy so each answer appears once. Duplicated blocks dilute the page and can confuse FAQ schema.
2	P1 Product details conflict with Home	This page: 1.5 hours from $400. Home card: "Private Sunset Dolphin Cruise", 2 hours and 1.5 hours, from $600. Pick one name, one length and one price and use it on both pages and in FareHarbor.

3	P1 Old dolphin cruise URL	Page 265 "Dolphin Cruise" at /charters/dolphin-cruise/ is set to private, so visitors and Google get a 404. Add a 301 from /charters/dolphin-cruise/ to this page, and add one from /charters/sunset-cruise/ (the broken link on Home).
4	P2 Empty duplicate H2	"Private Sunset Cruise in Destin, Florida" is an H2 with no content under it, sitting right on top of "Quick Info:". Delete it or turn it into the intro heading in section 4.
5	P2 Stray "2 Hours" labels	The two cross-sell cards (6-hour and 8-hour) each show "2 Hours" next to their real length. Same template issue as the Private Charter page.

3. SEO title and meta description

5. Content rewrites (paste-ready)

Intro (under H1, above Quick Info)

> See Destin from the water as the day winds down. This private 1.5-hour cruise on our tiki boat takes your group through Destin Harbor and into Choctawhatchee Bay at golden hour, with time to look for dolphins and watch the sun set over the Emerald Coast.
>
> The boat is reserved for your group alone, up to 18 guests. Your USCG-licensed captain drives, and you bring the drinks and snacks. We supply a cooler with ice, a Bluetooth speaker and a bathroom onboard.

H2: Your Evening on the Water (replaces "The Perfect Ending to Your Day!")

> **H3: Destin Harbor**
> Board at Destin Harbor and cruise past the docks and waterfront on your way out.
>
> **H3: Choctawhatchee Bay and Dolphin Spotting**
> Dolphins are often seen around the harbor and the bay. Sightings are never guaranteed, but your captain keeps watch and will slow down when they appear.
>
> **H3: Sunset Over the Emerald Coast**
> Time your cruise with the sunset and watch the sky change color from the water. It's a good time for group photos, so bring a phone with a full battery.

Replace the current paragraph ("Embark on a serene... enchanting... magical hues"). It uses vague travel-brochure words and an em dash, and it says little a visitor can act on.

H2: What's Included on the Sunset Cruise

> - USCG-licensed captain
> - Private tiki boat for up to 18 guests
> - Bathroom onboard
> - Bluetooth speaker
> - Cooler with ice (BYOB-friendly, no glass)

H2: What Time Does the Sunset Cruise Leave? (new)

> Departure times change through the year to match sunset. In summer, cruises leave in the early evening. In fall and winter, they leave earlier. Pick a date in the calendar above to see that day's start time. *(Add a short table of typical start times by month once confirmed.)*

"What time is the Destin sunset cruise" is a common search. Answering it on the page helps both Google and AI answers.

H2: Who Books a Private Sunset Cruise (new)

> Couples celebrating an anniversary or proposal, families who want an easy evening outing with kids, friend groups starting a night out, and bachelorette parties looking for sunset photos. For a full day at the sandbar first, see our private Crab Island charters.

H2: Destin Sunset Cruise FAQs (keep the 5 existing, add 3)

> **Is the sunset cruise private?** Yes. Keep current answer.
>
> **How long is it?** Keep current answer (1.5 hours).
>
> **How many people can come?** Keep current answer (up to 18).
>
> **Can we bring food and drinks?** Keep current answer, add "no glass".
>
> **Will we see dolphins?** Keep current answer.
>
> **Where do we meet?** *(New. Dock name and address at Destin Harbor, parking notes.)*
>
> **What happens if it rains or storms?** *(New. One-line weather policy and link to the FAQs page.)*
>
> **Can we combine Crab Island and the sunset?** Yes. The 6-hour Crab Island and Sunset Charter includes an afternoon at the sandbar and a sunset cruise back. See charter lengths.

H2: Want More Time on the Water? (replaces the 13-word H2)

> Put the 6-hour Crab Island and Sunset Charter first in the cross-sell row. It's the closest upgrade for someone already looking at sunset trips.

7. Images

File	Current alt	New alt

- The page has only one sunset photo, and it sits below the fold. Add a real sunset photo at the top and 2 to 3 more (dolphins, group at golden hour). Set one as the featured image.
- Adjust each alt to what the photo actually shows.

8. Technical

#	Item	Action
1	P1 Redirects	Rank Math > Redirections: /charters/dolphin-cruise/ and /charters/sunset-cruise/ both 301 to this page.
2	P1 Schema	Add a TouristTrip (or Product) with Offer price 400 USD, duration PT1H30M, provider Crab Island Tiki Tours. Turn on FAQ schema for the accordion (Elementor nested accordion does not output FAQPage by itself). Use the Rank Math FAQ block or a custom schema. Check that only one FAQPage block exists.
3	P2 Calendar position	The FareHarbor calendar loads right under the H1, before any content. Keep it high for conversions, but add the two-paragraph intro above it so the first screen has indexable text. Confirm the iframe does not push LCP past 2.5 s on mobile.
4	P2 Meta line break	Remove the trailing newline from the meta description field.
5	P3 Breadcrumbs	Enable Rank Math breadcrumbs once the /charters/ parent is live.

9. Tracking

Sitewide setup is in the Home changelog. Page-specific:

Event	Setup
book_now_click	`tour_name=private_sunset_cruise`, `fareharbor_item=712850`, `button_location` (quick_info, final_cta). Cross-sell buttons: 643424, 744100, 746740 with `button_location=cross_sell`.
Calendar bookings	The embedded calendar (items="712850") books inside an iframe. Only the FareHarbor GA4 integration can report those purchases. Test one booking in DebugView.
faq_open	Optional: track which accordion questions are opened. It shows which objections matter most.
Upsell report	In GA4 Explore, compare sunset-page sessions that clicked a cross-sell card against those that booked 712850. This shows if the 6-hour combo pulls people up.
