Sources: WordPress/Elementor content and Rank Math fields (site connector), Semrush US rankings and keyword volumes.

1. Summary

Area	Current state	Priority
Opportunity	Easy, commercial searches with little competition: **"destin party boat" 260 (KD 19)**, "party boat destin fl" 210, **"destin bachelorette party" 170 (KD 2)**, "bachelorette party destin fl" 110 (KD 1), "destin bachelorette" 70, "crab island party boat" 40. The page ranks only #38 for "crab island destin bachelorette party". It's also the **highest-value page on the site**: every lead is a $4,000–$8,000 charter.	**High**
No lead capture	No Book/Request button, no inquiry form, no phone CTA. The only link goes to the homepage. Group planners who are ready to pay $4k+ have nowhere to act.	**Critical**
Inaccurate price claim	"Splitting a flat group rate across a dozen or more people usually comes out cheaper per person than... public tickets." 12 people × $4,000 = $333 each vs $59.99–$74.99 public. Same error as pages 9–10.	**High**
No H1 / Rank Math	Starts with an H2; title, meta and focus keyword all empty.	**High**
Bachelorette content is generic	No sample itinerary, decoration rules, music setup, photo details, bride perks, testimonials or "what our bachelorette groups say". Nothing a bride planning the weekend can screenshot and share with her group.	**Medium**
Small-group gap	Bachelorette groups of 8–15 are common. For them, public tickets or the 18-guest Tiki boat are far cheaper, and the page doesn't say so.	**Medium**
Images / links	Lead image alt says "fort walton beach" and "beach please charters". IMG_8969 sits inside a `<strong>` with an empty alt. Infographic PNG. Self-link (6th item). YouTube 560×435.	**Low**

2. Keyword targeting

Keyword	Vol.	KD	Use

crab island party boat / crab island bachelorette	40 / 20	0–15	H2/H3
family reunion / corporate boat charter destin	low	—	Keep the existing H2s (good for long-tail searches)

H1 Destin Bachelorette Party Boat & Large Group Charters

Planning a **Destin bachelorette party**, family reunion or company outing? Book **Bikkini Bottom**, a private 45-foot party boat for up to 49 guests, and spend the day at Crab Island with your crew. You get your own playlist, BYOB, floats, a restroom onboard, and a captain who handles everything so the bride doesn't have to.

[Request a Date] [Call (850) 420-2540]

H2 Your Private Destin Party Boat

(Keep paragraph 1. Replace paragraph 2 with:) One booking covers the whole group: no coordinating 20 separate tickets, no strangers in your photos, and no rushing back on someone else's schedule.

H2 Group Charter Pricing

Charter length	Price (whole boat)	Per person at 20 / 35 / 49 guests
4 hours	$4,000	$200 / $114 / $82
6 hours	$6,000	$300 / $171 / $122
7 hours	$7,000	$350 / $200 / $143
8 hours	$8,000	$400 / $229 / $163

A private charter costs more per person than a public ticket ($59.99–$74.99). You're paying for the whole boat, your own timing and total privacy. [Owner: deposit amount, payment split option, cancellation terms.]

H3 Smaller Group? Options for 8–18 Guests

For a bachelorette crew of 8–12, public Crab Island tour tickets are the most affordable way to go. For up to 18 guests who want privacy, our sister company Crab Island Tiki Tours runs private tiki-boat charters.

8. Tracking

Item	Setup
Group inquiry	`generate_lead` with `lead_type` = group_charter, `event_type`, `group_size` and `charter_length` (from form fields). Set a **value** (e.g. $4,000 × your close rate) so Google Ads can optimize for it.
Calls	`phone_click` with `link_location` = group_page. Consider a dedicated tracking number for this page only, since group bookings often happen by phone.
Private FareHarbor clicks	`begin_checkout` with `tour_name` = private.
Paid search	The low-difficulty keywords here ("destin bachelorette party", "destin party boat") are also cheap Google Ads targets. Send that traffic to this page with the form as the conversion.
Rank tracking	destin bachelorette party, destin party boat, bachelorette party destin fl, crab island party boat.
