1. Summary

Area	Current state	Priority
Strategy question	Crab Island Voyages sells **private captained pontoon charters to Crab Island for families, groups and bachelorette parties**, the same customers as your private charter and your sister company Crab Island Tiki Tours. The post sends ready-to-book readers to them ("Visit crabislandvoyages.com to book"). They're also in the site-wide footer partner logos. Fine if it's a deliberate referral partnership, but the owner should confirm it, and the post should frame them as the **Fort Walton Beach-side** option only.	**High**
originalcrabisland.com link (4th post)	"Crab Island" in the closing CTA → `originalcrabisland.com`. Fixed by the site-wide replace from changelog 18.	**High**
Link handling	4 links to crabislandvoyages.com (one inside an H4) + a footer logo on every page. Reduce to 2 in the post and mark them per the relationship (`sponsored`/`nofollow` if reciprocal or paid). The site-wide footer link also counts as a reciprocal pattern; mark it the same way.	**High**
No path back to Bikkini Bottom	Readers staying in Fort Walton Beach are never told that Bikkini Bottom is about [10–15] minutes away by car, with free parking.	**Medium**
Structure / meta	No H2; H4 wrapped in `<strong>` with a link inside. SEO title and meta empty. **Slug is about 110 characters.** Empty paragraph and the Crab Island list at the end.	**Medium**

5. Content additions

H2 Getting to Crab Island from Fort Walton Beach

Crab Island sits between Destin and Okaloosa Island, so you can reach it from either side of the bay:

- **From Fort Walton Beach / Okaloosa Island:** a private tritoon with Crab Island Voyages, great for small private groups who want a quick ride from the FWB side.
- **From Destin Harbor:** Bikkini Bottom is about [10–15] minutes' drive from Fort Walton Beach, with free parking across from our dock. Choose our public Crab Island tour ($59.99–$74.99 per person) or book the whole 49-passenger boat for a large group charter. Groups of up to 18 can also book our sister company's private tiki boat.

Not sure which fits? Compare shuttles, pontoon rentals and charters.

6. Internal & external links

Link	Change
"Crab Island" → originalcrabisland.com	→ **/what-is-crab-island/**
Bold "Destin Fireworks Cruises" (intro)	→ /destin-sunset-dolphin-cruise/#fireworks
"Crab Island" / "chasing dolphins" (intro)	→ /crab-island-tours-in-destin-fl/ and /destin-dolphin-cruise/
crabislandvoyages.com ×4	Keep 2 (intro + contact). `rel` per relationship. Remove from the heading. Apply the same `rel` to the footer logo link.
New: public tour, large group charter, tiki boat, comparison guide	/crab-island-tours-in-destin-fl/ · /destin-bachelorette-party-boat/ · Tiki Tours site · /crab-island-shuttle-vs-pontoon-rental-vs-charter/
Crab Island guide list + empty paragraph	Remove; replace with "More Local Spotlights"
Ask in return	Crab Island Voyages links to Bikkini Bottom as their Destin-side / large-group (49 guests) recommendation. Their boats are smaller, so the partnership can send groups both ways.

7. Technical

Issue	Fix	Priority
Slug + 301	As §3; update the links to it from other spotlights.	**Medium**
Headings	H4 → H2; bold list items → H3; remove link from heading.	**Medium**

Featured image 2252	Alt → **"Crab Island Voyages tritoon at Crab Island"** (or describe the actual image)	**Low**
Schema	BlogPosting + `mentions` LocalBusiness (Crab Island Voyages) + `about` TouristAttraction (Crab Island).	**Low**

8. Tracking

Item	Setup
Referrals out vs. bookings kept	`partner_click` (crab_island_voyages) vs `begin_checkout` from this post. If outbound clicks far outnumber your own bookings from the post, revisit the partnership terms.
Referrals in	UTM link for the partner: `?utm_source=crabislandvoyages&utm_medium=referral&utm_campaign=spotlight`
Footer logo clicks	`partner_click` with `link_location` = footer, so you can measure site-wide leakage to partners.
