1. Summary

Item	Current state
Role	Catch-all answers page, linked from the Charter, Cost and hub pages. Should answer booking and policy questions fast and send readers to the deeper guide for each topic.
SEO title	Crab Island Tiki Tours FAQs | Destin, FL Private Boat Tours (59 characters, good)
Meta description	183 characters. Google will cut it around 155 to 160.
H1 / H2	"FREQUENTLY ASKED QUESTIONS (FAQS)" and "EVERYTHING YOU NEED TO KNOW", both all caps with trailing line breaks.
Body copy	About 60 questions in one unbroken list of bold paragraphs. Section dividers exist but have no headings.
Internal links	None. Not one answer links to the page that covers it in depth.
Schema	None. The format (bold question + line break + answer) produces no FAQPage markup.

2. Critical fixes

#	Issue	Fix
1	P1 A fourth price	"Pricing typically starts around $600 depending on duration and group size." Other pages say $400 (sunset), $800 (4-hour charter) and $900. Replace with the confirmed starting prices per trip, or "Private sunset cruises start at $400 and Crab Island charters at $800" once confirmed.
2	P1 A fourth set of durations	"We have options for 2, 4, 6, or 8 hours." The Charter page shows 4, 5, 6 and 8, its booking text says 3, 4, 5, 6 or 8, and the Sunset page is 1.5. The stray "2 Hours" icons on the Home and Charter cards may actually mean a 2-hour trip exists. Confirm the real list from FareHarbor and use it everywhere.
3	P1 Per-guest pricing confirmed here	"pricing starts at up to 8 people with an additional cost for each additional after." This is the third page to state the base-for-8 rule, so it's probably real. State the add-on amount here and on the Cost and Charter pages, and remove the "$900 split 18 ways is $50" lines on the guide pages.

4	P1 Four different cancellation answers	Reschedule "with 7 days notice, depending on availability"; weather "may be rescheduled or refunded"; you cancel "with at least 7 days notice... refund or credit"; captain cancels "full refund or reschedule option"; late arrivals "cancellation with no refund". Combine into one clear policy block (section 5) and reuse it on every page.
5	P1 No FAQ schema, no structure	Rebuild with H2 category headings and either the Rank Math FAQ block or Elementor's FAQ widget with schema enabled (section 4).
6	P2 Duplicate and filler questions	"Can I bring alcohol" and "Can you drink on a tiki boat"; "Do tours go to Crab Island every time" and "every day"; "Does the boat have music" and "Can we play our own music"; "What is the best tiki boat tour in Destin" (answer doesn't name you) and "Are tiki boat tours worth it". Merge or delete. Target about 35 strong questions.
7	P2 Answer conflicts with the guides	"Is a tiki boat worth it compared to a pontoon rental? Yes..." ignores the guide's honest "for small groups, rent a pontoon". Use the revised answer from the Tiki vs Pontoon changelog.

5. Content rewrites (paste-ready)

Intro under H1

> Quick answers about booking, prices, the boat and Crab Island itself. Jump to: Booking · Cancellations · Prices · The Boat · Trip Options · What to Bring · Safety · Celebrations · Crab Island. Can't find it? Call 850-613-1966.

H2: Cancellations, Rescheduling and Weather (single policy block)

> **Our policy:** Cancel or reschedule at least 7 days before your trip for a full refund or credit. If we cancel for weather or another reason, you get a full refund or credit, or we'll reschedule. Cancellations inside 7 days and no-shows are charged in full. Late arrivals may get a shorter trip, since the next group's time can't move. To cancel or reschedule, call 850-613-1966.
>
> **Do tours run in light rain?** Usually yes. Summer showers often pass quickly. Lightning, strong wind and small craft advisories cancel trips, and the captain makes the call based on conditions.

Confirm the wording with the owner. It merges what the FAQ, Bachelorette and guide pages currently say. Once approved, save it as a synced pattern.

Revised answers

Question	New answer

How much does a tiki boat tour cost in Destin?	Private sunset cruises start at $400 and private Crab Island charters at $800 for 4 hours *(confirm)*. Prices cover up to 8 guests, with $__ per extra guest up to 18. See full pricing.
How long is the tiki boat tour?	*(Confirmed list, e.g. "Sunset cruises are 1.5 hours. Crab Island charters run 4, 5, 6 or 8 hours.")* Compare charter lengths.
Is a tiki boat worth it compared to a pontoon rental?	For small groups with an experienced boater, a pontoon usually costs less. For bigger groups, celebrations and families, a captain, bathroom, shade and room for 18 make the charter worth the difference. Full comparison.
Do you offer private or shared tours?	Our tiki tours are always private. For shared, pay-per-seat trips, our sister company Bikkini Bottom runs public Crab Island, sunset and fireworks tours. Public tours.
Is Crab Island good for families?	Yes. Most of the sandbar is 2 to 4 feet deep, and we carry child-size life jackets. Family guide. (Drop "one of the most family-friendly attractions in Destin".)

Delete or merge

- Delete "What is the best tiki boat tour in Destin Florida?" (the answer is generic and doesn't name you).
- Merge "Can you drink on a tiki boat in Destin?" into "Can I bring alcohol?".
- Merge "Do tiki boats go to Crab Island every day?" into "Do tours go to Crab Island every time?".
- Merge "Does the tiki boat have music?" with "Can we play our own music?".
- Merge "Are tiki boat tours in Destin worth it?" into the pontoon comparison answer.

New questions worth adding

> **Is there a 32-foot boat or more than one boat?** One 32-foot tiki boat. *(Confirm.)*
>
> **Who is the captain?** Introduce Captain Bill with a link to his page.
>
> **Can we bring a dog?** *(Owner to answer. It's a common question for boat charters.)*
>
> **Is the boat wheelchair accessible?** *(Owner to answer.)*

7. Images

The page has no images. Add one photo of the boat near the top (alt: "Crab Island Tiki Tours private tiki boat at Destin Harbor") and set it as the featured image for social shares.

8. Technical

#	Item	Action
1	P1 FAQPage schema	Use one FAQ block per section, or a single block, so FAQPage JSON-LD is output. Google limits FAQ rich results to authoritative government and health sites, so don't expect stars in search. The structured Q&A still helps AI answer engines and Google understand the page.
2	P2 Jump links	Give each H2 an ID (booking, cancellations, prices, boat, trips, bring, safety, celebrations, crab-island) for the jump links.
3	P2 Leftover attributes	The HTML is full of `data-start` / `data-end` attributes, which usually come from text copied out of an AI chat tool. They are harmless for SEO. Paste as plain text when rebuilding.
4	P3 URL	/crab-island-tiki-tours-faqs/ is fine. Keep.

9. Tracking

Event	Setup
faq_open	If using an accordion, fire on each open with `question`. The most-opened questions tell you what to put on the Charter page.
jump_link_click	Which section people go to first.
phone_click / contact_click	From the intro and "Still have a question?". FAQ pages often lead to calls.

Site search (optional)	If you add a search box, GA4 enhanced measurement records search terms, which shows unanswered questions.
