SEO Changelog: About Crab Island (Guide Hub)

URL: https://crabislandtikitoursdestin.com/about-crab-island/ | WP page ID 785 (block/classic content, not Elementor) | Last modified July 27, 2026 | Audit date: October 28, 2026 | Page 6 of the site queue

Method: content, headings, links, images and SEO meta were pulled from WordPress through the site connector. The live URL could not be loaded from the audit environment, so rendered-page checks are listed as checks to run.

1. Summary

This is the strongest page on the site so far. It's about 1,700 words, answers real questions, has a fact-dense opening, a FAQ, a rates table and links to all eight guides. Most fixes here are about accuracy and consistency, not more writing.

Item	Current state
Role	Hub for the eight About Crab Island guides. Should own the broad term "crab island destin" and "crab island guide".
SEO title	About Crab Island Destin FL | Questions Answered (48 characters)
Meta description	146 characters, good, but quotes "$900", which conflicts with the charter page.
H1	About Crab Island: The Questions Destin Visitors Ask Most
Internal links	About 22 internal links. 2 point to pages that don't exist. 1 links to itself.
Facts found only here	32-foot tiki boat, departure from 530 Harbor Blvd Suite #13, phone 850-613-1966, life jackets including child sizes, decorations welcome, alcohol 21+ with valid ID, arrive 20 to 30 minutes early, book 3 to 7 days ahead in peak season. These belong on Home, Charter, Bachelorette and Contact too.

2. Critical fixes

#	Issue	Fix
1	P1 Broken link: "private Crab Island charter details"	Points to `/charters/private-crab-island-pontoon-destin/`, which doesn't exist. Change to `/charters/private-crab-island-charter-destin/`.
2	P1 Broken link: "sunset cruise"	Points to `/charters/sunset-cruise/`. Change to `/charters/private-sunset-cruise-in-destin-fl/` (and add the 301 listed in the Sunset changelog).
3	P1 Pricing model conflicts with the rest of the site	This page: private tiki from $900 for 4 hours, "built around groups of up to eight, with a per-guest add-on above that"; sunset from $600; durations 4, 6 or 8 hours. Charter page (edited later, Sept 6): 4 hours from $800 flat, 5-hour option, sunset from $400. A per-guest add-on changes what an 18-person group pays, so the page must match FareHarbor exactly. Update the Quick answer, Key Takeaways, cost section, rates table, FAQ and meta description together.

4	P1 Phone number is plain text	850-613-1966 appears three times and is never clickable. Make each one a `tel:+18506131966` link so mobile visitors can tap to call (and so calls can be tracked).
5	P2 Empty H2	An H2 containing only a non-breaking space sits under the intro. Delete it.
6	P2 Image inside an H2	The 2048×768 infographic is placed inside an H2 tag. Move it into an Image block so the heading outline stays clean.
7	P2 Self-link	The "More Crab Island Questions Answered" footer links to this same page first. Remove that item.

3. SEO title and meta description

Field	Current	New
SEO title	About Crab Island Destin FL | Questions Answered	**Crab Island Destin, FL Guide: Depth, Cost, Location and Tips** (61 characters)
Meta description	About Crab Island in Destin, FL: where it is, how deep it is, how to get there, and what a boat trip costs. Private tiki charters for 18 from $900.	**Crab Island in Destin, FL: where it is, how deep the water gets, how to get there and what it costs. Answers from a local charter captain.** (139 characters; no price, so it can't go out of date)
Focus keyword	Primary: **crab island destin**. Secondary: crab island guide, crab island florida, visiting crab island, crab island tips.	
Competition note	bikkinibottomboat.com has "What Is Crab Island" and a "Crab Island Guide" blog hub. Keep this page's angle (one hub, eight deep answers) distinct, and don't copy wording between the two sites.

Fold "Why We Built This Section" into a two-sentence author note under the H1 (see section 5). It's useful trust content but doesn't need its own H2 in the middle of the guide list.

5. Content rewrites (paste-ready)

H1 and author line

> **H1:** Crab Island, Destin: A Local Captain's Guide
>
> *By Captain Bill, Crab Island Tiki Tours. Updated (month, year).* We run charters to the sandbar from Destin Harbor every week of the season. The depth, timing and cost figures below come from those trips.

Link "Captain Bill" to the Captain Bill page (renamed from /elementor-863/). Confirm he is the right author before publishing.

H2: Crab Island at a Glance (replaces Key Takeaways list)

Question	Answer
What it is	A shallow, submerged sandbar, not a dry island
Location	North of the Marler Bridge, Choctawhatchee Bay, Destin, FL (about 30.394 N, 86.512 W)
Distance from Destin Harbor	About half a mile, 5 to 10 minutes by boat

Water depth	Roughly 2 to 4 feet over most of the sandbar at normal tide
Access	Boat only (no road, bridge or walkway)
Cost to visit	Free. You pay only for the boat.
Vendors	Floating food and drink vendors in summer
Best quiet time	Weekday mornings in May, early June and September

A table like this is easy for Google's featured snippets and AI answer engines to quote. Keep the Quick answer paragraph above it, minus the price.

H2: High Tide vs Low Tide at Crab Island (new)

> Tide changes how deep the sandbar runs and how strong the current feels. At low tide the sandbar is shallower and easier for kids. At high tide the water is deeper. *(Add specifics from post 924 so the two pages agree.)* Your captain checks the tide chart and picks an anchoring spot to match. Read our full high tide vs low tide guide.

H2: Is Crab Island Good for Families? (new)

> Yes, with a plan. Shallow water, life jackets in child sizes and a bathroom onboard make a private charter one of the easier ways to bring kids. Watch for the deeper channel edges and keep little ones in life jackets. Read everything parents should know before visiting.

New FAQs (add to the existing five)

> **Can you bring alcohol to Crab Island?** Guests 21 and older can bring alcohol on our charters with valid ID. No glass on the boat.
>
> **What happens if the weather turns bad?** If we cancel for weather, you get a full refund or credit. You can also cancel with 7 days' notice for a full refund or credit. No-shows are charged in full.

H2: Beyond Crab Island: More to Do in Destin (new, short)

> Staying a few days? Pair your sandbar day with an evening private sunset cruise, or see our list of things to do in Destin besides Crab Island. Visiting in the shoulder season? Here's why fall is a great time to visit Crab Island.

Wording fixes

- "Rather than bury those answers in a booking page, we built a page for each one." Keep. It's clear.
- "Search results for Crab Island are crowded with listicles written by people who have never anchored there." Soften to "Many Crab Island articles are written by people who have never anchored there." It's a claim you can't prove about every result.
- "Our 32-foot tiki boat handles all of that." Good. Add the boat length to the Home and Charter pages too.

6. Internal linking

Anchor text	Target	Action
private Crab Island charter details	/charters/private-crab-island-charter-destin/	Fix broken link
sunset cruise	/charters/private-sunset-cruise-in-destin-fl/	Fix broken link
Bachelorette parties (in Celebration section)	/crab-island-bachelorette-party-destin/	Add
Read our full high tide vs low tide guide	/high-tide-vs-low-tide-at-crab-island/	Add (new section)

Public Destin Harbor Fireworks Tour (rates table)	/public-crab-island-boat-tours-destin/	Add
Crab Island Tiki Tours (home)	/	Add in Ready section
About Crab Island (footer list)	this page	Remove self-link

Inbound: every guide page and the Home "Plan Your Trip" block should link here with anchor "Crab Island guide". Add About Crab Island to the main menu.

7. Images

File	Current alt	Action
image-17-300×300.webp (Key Takeaways)	About Crab Island	Use a wider photo (at least 1200 px) of boats anchored at the sandbar. Alt: "Boats anchored at Crab Island sandbar in Destin, Florida".
Crab-Island-Tiki-Boat-Rental.png (2048×768)	Crab Island Tiki Boat Rental Infographic	Convert to WebP (PNG at this size is likely several hundred KB). Put the infographic's key numbers in the text or a caption too, because text inside an image can't be read by search engines.

Set a featured image for social sharing. Consider adding a simple map image showing Destin Harbor, the Marler Bridge and Crab Island.

8. Technical

#	Item	Action
1	P1 FAQ schema	The FAQ uses H3 questions in plain blocks, so no FAQPage schema is output. Convert to the Rank Math FAQ block.
2	P1 Place schema	Add TouristAttraction schema for Crab Island (name, geo 30.394, -86.512, address Destin FL, isAccessibleForFree true). Add Article schema with author (Captain Bill) and dateModified.
3	P2 Breadcrumbs	Enable Rank Math breadcrumbs so the eight child pages show Home > About Crab Island > (guide).
4	P2 Cannibalization	Blog post 773 (What to Bring) and post 910 (Best Time of Day) duplicate child pages 792 and 791. Merge each into the child page and 301 the post (covered in their own changelogs).
5	P3 NAP consistency	"530 Harbor Blvd Suite #13, Destin, FL" and 850-613-1966 should match the Google Business Profile, the footer and the Contact page exactly.

9. Tracking

Event	Setup
phone_click	After the three numbers become tel: links, fire `phone_click` with `link_location` (takeaways, faq, final_cta). Mark it a key event.
guide_click	Fire on clicks to any /about-crab-island/ child page with `guide_name`. Shows which questions people care about most.
book_now_click	On the "book online" link, with `button_location=hub_final_cta`.
Scroll depth	Long page: add 25/50/75/90% scroll events (GTM) instead of relying on the single 90% enhanced-measurement event.
Search Console	Watch impressions for "crab island destin" and the question queries after the title change. Compare 28 days before and after.
