URL: https://crabislandtikitoursdestin.com/elementor-863/ | WP page ID 863 (Elementor) | Last modified July 28, 2026 | Audit date: October 29, 2026 | Page 17 of the site queue

Method: content, headings, links, images and SEO meta were pulled from WordPress through the site connector. The live URL could not be loaded from the audit environment.

1. Summary

Item	Current state
Role	Captain bio. It supports trust ("who will drive my family?") and gives Google an expert to tie the site's guides to.
URL	/elementor-863/ (Elementor default)
SEO title / meta	Both empty.
Headings	No H1. The only heading is an H2 "Captain Bill".
Body copy	About 380 words with strong, specific credentials: deckhand in Destin since 1975, USCG 100 Ton Master's license since 1984, 39+ years with the Department of the Air Force, a B.S. in Applied Mathematics and an M.S. in Computer Science, on the Emerald Coast since 1968.
Links	None. No booking button, no link to Our Story or any charter.
Inbound	Linked from the Private Charter page only. Not mentioned on Our Story.

2. Critical fixes

#	Issue	Fix
1	P1 Default slug	Change to `/captain-bill/` (used in all earlier changelogs). Confirm the 301 from /elementor-863/ in Rank Math > Redirections, and update the Private Charter link.
2	P1 No H1	Change the "Captain Bill" Heading widget from H2 to H1, using the text in section 3.
3	P1 Empty SEO title and meta	Fill both (section 3).
4	P1 Dead end	The page has no links or call to action. Add a booking button, a link back to Our Story and links to the charters he runs.
5	P2 Last name	A full name (if Bill is comfortable with it) makes the credentials checkable, which is the point of a captain bio. USCG licences are issued to named people. Owner's call.

3. SEO title, meta and H1

Field	Current	New
SEO title	(empty)	**Captain Bill | 50 Years on Destin Waters | Crab Island Tiki Tours** (65 characters; Google may trim the brand)
Meta description	(empty)	**Meet Captain Bill: a Destin deckhand since 1975 and USCG 100 Ton Master since 1984. Book a private Crab Island tiki boat trip with him at the helm.** (147 characters; edit the last sentence if guests can't request him)
H1	(none; H2 "Captain Bill")	**Meet Captain Bill**
WP title	Captain Bill	Keep.

4. Heading structure

Current

```
H2  Captain Bill
    (six paragraphs, no other headings)
```

New

```
H1  Meet Captain Bill
    (one-line summary: 50+ years on Destin's waters)
H2  Captain Bill at a Glance               (new fact list)
H2  From Deckhand to Master Captain
H2  A Career of Service
H2  Why Guests Ride With Captain Bill       (new)
H2  Meet the Rest of the Crew               (link to Our Story)
H2  Book a Trip
```

5. Content rewrites (paste-ready)

H2: Captain Bill at a Glance (new)

> - On the water in Destin since 1975
> - U.S. Coast Guard 100 Ton Master's license since 1984
> - Emerald Coast resident since 1968 (Fort Walton Beach, then Destin from 1976)
> - 39+ years with the U.S. Department of the Air Force, now retired
> - B.S. in Applied Mathematics, M.S. in Computer Science

H2: From Deckhand to Master Captain

> Bill started as a deckhand in Destin in 1975 and earned his U.S. Coast Guard 100 Ton Master's license in 1984. He has worked as a deckhand and captain on these waters for more than 50 years, through decades of change at the harbor and the sandbar.

H2: A Career of Service (revised)

> In 1986 Bill began a career with the U.S. Department of Defense, Department of the Air Force, that lasted more than 39 years. He kept captaining the whole time, on weekends, holidays and vacation days. Today he's retired from the Air Force and spends that time on the water instead.

Replaces "Although he dedicated his professional career to serving our country, the water was never far away," which reads as a contradiction. Confirm the retirement wording.

H2: Why Guests Ride With Captain Bill (new)

> Bill knows how the tide moves across Crab Island, where the sandbar drops off, and where dolphins tend to show up in the pass. Ask him about how Destin has changed since the 1970s. *(Add a short quote from Bill, or a guest review that mentions him by name.)*

Wording fixes

- "an unmatched understanding of its waterways" to "a deep understanding of its waterways". "Unmatched" can't be backed up.
- Two em dashes in the copy. Swap for periods if you're aiming for a plainer style.

6. Internal linking

Anchor text	Target	Placement
Meet the rest of the crew	/about/	Crew section
private Crab Island charter	/charters/private-crab-island-charter-destin/	Book section
sunset cruise	/charters/private-sunset-cruise-in-destin-fl/	Why Guests Ride (dolphins)
Crab Island	/about-crab-island/	Why Guests Ride
where the sandbar drops off	/about-crab-island/how-deep-is-crab-island/	Why Guests Ride
Book Now (button)	FareHarbor booking flow	Book section

Inbound to add: Our Story (Meet Your Captains), the About Crab Island hub and the guides (author line, if Bill writes them), Home "Meet" section.

7. Images

File	Current alt	Action
IMG_5625-Medium.jpeg (480×640)	Captain Bill	Alt: "Captain Bill at the helm of the Crab Island Tiki Tours boat in Destin" (adjust to the photo). Rename to captain-bill-destin.webp, convert to WebP, set as featured image.
(new)		A photo of Bill driving the tiki boat, and an older photo from the 1970s or 1980s if one exists. Old photos make a 50-year story believable.

8. Technical

#	Item	Action
1	P1 Slug and redirect	See critical fix 1.
2	P2 Schema	ProfilePage with a Person entity: name, jobTitle "Captain", worksFor Crab Island Tiki Tours, hasCredential (USCG 100 Ton Master's license, 1984), alumniOf if you want to name the schools. Reference the same Person as author on any guide he writes.
3	P3 Menu	List under an "About" menu item next to Our Story.

9. Tracking

Event	Setup
book_now_click	`button_location=captain_bill`.
Path report	In GA4, see how many sessions go from this page to a charter page or FareHarbor. Low traffic is expected; the value is in assisted conversions.
