1. Summary

Area	Current state	Priority
Strongest spotlight	About 600 words with a clear angle ("why a driver for a boat day": parking, no designated driver, keeping groups together), a services list, and a booking block with phone. No originalcrabisland.com link. Good base; it mostly needs structure, internal links and meta.	—
Own services not linked	Mentions "Crab Island charters", "bridal parties", "family reunions", "boat day", HarborDocks and AJ's, but links none of them to your tour, bachelorette or restaurant pages.	**High**
Headings	4 H3s (wrapped in `<strong>`) with no H2 above them, which skips a heading level. The numbered reasons are bold text, not headings.	**Medium**
Rank Math	SEO title and meta empty. Focus keyword "Destin Transportation" (70/mo, KD 21) is reasonable as a secondary; the partner brand should be primary.	**Medium**
Parking message	"Parking at the Harbor... can be a challenge" doesn't mention that Bikkini Bottom guests park **free** at Craft Bar. Add one line so the post doesn't make your own logistics sound harder than they are.	**Low**
Links / misc	3 partner links (fine; set `rel` per relationship). Crab Island guide list at the end. Long slug.	**Low**
