1. Summary

Area	Current state	Priority
Rankings	This is the site's money page, but it ranks #40 for "crab island tours" (1,600/mo), #22 for "crab island tour", #23 for "crab island boat tours" (390) and #83 for "crab island tickets" (720). Its only top-5 ranking is "crab island excursions destin fl" (#4, 1,300/mo).	**High**
H1	"Your Crab Island Adventure Awaits!" has no "tours" and no "Destin".	**High**
Keyword field	8 phrases, several targeting **Fort Walton Beach**, but the boat departs from Destin Harbor.	**High**
Content	About 650 words, mostly FAQ and parking. There's no description of what actually happens on the tour, no duration/price block (the page says "Check out our rates below!" but no rates follow), and no comparison of the 3-hour vs 4-hour options.	**High**
Broken / wrong links	"Explore More Adventures" → `/dolphin-tours-in-fort-walton-beach/`, a slug that doesn't match any page (VERIFY 404 or redirect). The Book Now button was copied from the homepage and carries `/calendar/2025/03/` plus an `elementor-preview=556` back-URL. The Private Charter "Book Now" opens the generic item list instead of the private charter item.	**High**
Internal links	No links to the 6 Crab Island guide pages, the FAQ, Contact or the Dolphin page.	**High**
Images	8 gallery slots but only 5 unique images (3 are repeated). One alt text is "IMG_2323". Other alts mention "Fort Walton Beach" and "Beach Please Charters".	**Medium**
Schema	No TouristTrip/Product or FAQPage markup (VERIFY).	**Medium**

2. Keyword targeting

Keyword	Vol.	Now	Role on this page
crab island tours	1,600	#40	**Primary**: title, H1, first 100 words, URL already close

crab island excursions destin fl	1,300	#4	Secondary: keep "excursion" in an H2 and the meta. Don't lose this ranking.
crab island tickets	720	#83	Secondary: new "Tickets & Prices" H2
crab island boat tours / crab island boat tour	390 / 90	#23	Secondary: H2 + body
crab island tour	320	#22	Covered by the primary term
crab island cruise(s)	320	#59	Body copy
private crab island charter	—	—	H2 (private section)
530 harbor blvd destin fl	140	#15	Keep the full address in a visible "Departure" H2

> Fort Walton Beach terms: the boat leaves from Destin Harbor, so don't target "crab island tour fort walton beach" here. If FWB visitors matter, mention once that guests staying in Fort Walton Beach and Okaloosa Island are about 10–15 minutes away. Leave FWB-departure searches to partner Crab Island Voyages (already a spotlight post).

H2 What to Expect on Our Crab Island Boat Tour

Check in at our booth at 530 Harbor Blvd and walk right onto the boat. Your captain cruises out of Destin Harbor, under the Marler Bridge and into Choctawhatchee Bay. Keep an eye out for dolphins on the way. At Crab Island we anchor in the middle of the action. Climb down the ladder into shallow,

clear water to swim, float and toss a football. You can also visit the vendor boats selling food, drinks and ice cream. When it's time to go, the crew brings everyone back aboard for an easy cruise home.

Crab Island isn't really an island. It's a sandbar you can only reach by boat. Learn what Crab Island is and why it's so popular →

H2 Crab Island Tour FAQs

H3 Can I bring food and alcohol?

Yes. Bring your own drinks (21+ for alcohol), snacks and a small cooler. Bring plenty of water too.

H3 How deep is the water at Crab Island?

Most of the sandbar is about waist-deep at low tide. Depth changes with the tide, so we provide lifejackets and floats for everyone. Is Crab Island safe for kids? →

H3 Is the tour wheelchair accessible?

Boarding at the marina is a level walk-on. At Crab Island, though, getting in and out of the water means using a ladder, so we can't consider the excursion handicap accessible.

H3 What happens if it rains?

[Owner: weather/cancellation policy, e.g. "If the captain cancels for weather, you can reschedule or get a full refund."]

H3 Are kids allowed?

Absolutely. Crab Island tours are family-friendly. [Owner: confirm child pricing / minimum age and whether infant lifejackets are provided.]

H3 What should I bring?

Sunscreen, sunglasses, towels, a hat or coverup, ID and a waterproof pouch for phones. Full Crab Island packing list →

6b. Fix

Item	Current	Fix
"Explore More Adventures" button	/dolphin-tours-in-fort-walton-beach/	Replace with the three text links in the last section, or point the button at the Sunset/Fireworks page.
Inbound links	Footer "Crab Island Tour" → /crab-island-tours/ (wrong slug, see homepage changelog)	Point the footer and menu at /crab-island-tours-in-destin-fl/
Inbound anchors	Guide pages link generically	Every Crab Island guide page (IDs 2333–2389, post 2197) should link here once with anchor **"Crab Island tours"** or **"Crab Island boat tour"**. Add these as Internal Link Juicer keywords for page 599.

7. Technical fixes

Issue	Fix	Priority
Book Now (public)	Replace with `https://fareharbor.com/embeds/book/bikkinibottomboat/items/615407/?full-items=yes`. If the 3-hour trip is a separate FareHarbor item, link each H3 to its own item ID.	**High**
Book Now (private)	Point at …`/items/550728/?full-items=yes&flow=1191550` (the private item the homepage uses), not the generic `/items/` list.	**High**

Prices on page	"Check out our rates below!" has nothing below it. Either embed a FareHarbor item grid (`[fareharbor shortname="bikkinibottomboat" items="615407" view="items"]`) or write prices in HTML. Search engines index HTML prices; prices inside the iframe aren't indexed.	**High**
Duplicate galleries	Keep one gallery of 4–6 unique images. Delete the second set (IMG-0277, IMG_7010 and IMG_7079 appear twice).	**Medium**
Alt text	IMG_2323 → **"Guests swimming at Crab Island next to the Bikkini Bottom charter boat"** IMG-0277 → **"Large group on a Crab Island tour in Destin aboard Bikkini Bottom"** (drop "Fort Walton Beach" and "Beach Please Charters") IMG_7010 → **"Couple standing in clear water at Crab Island, Destin FL"** IMG_7079 → **"Guests relaxing on deck during a Crab Island boat tour"** IMG-3591-1 → **"Boats anchored at Crab Island sandbar in Destin"**	**Medium**
Image format	IMG_7010 and IMG_7079 are 1536px **PNG photos** (likely 2–4 MB each). Convert to WebP via Imagify and serve 768w in the gallery.	**Medium**
Accordion	Elementor Toggle: set Title HTML Tag = H3. Keep the answers in the HTML (Elementor does by default) so they get indexed.	**Low**
Canonical / indexing	VERIFY self-canonical and that the page is in `page-sitemap.xml`.	**Medium**

7a. Schema (Rank Math → Schema → Custom)

```
{
 "@context": "https://schema.org",
 "@type": "TouristTrip",
 "@id": "https://bikkinibottomboat.com/crab-island-tours-in-destin-fl/#trip",
 "name": "Crab Island Tour from Destin Harbor",

```

Also add FAQPage schema for the 6 FAQs, plus BreadcrumbList (Rank Math → General → Breadcrumbs: on). The `provider @id` links to the LocalBusiness defined on the homepage.

8. Tracking

Item	Setup
Book Now (per option)	Uses the GTM trigger from the homepage changelog. Add `link_location` = `crab_page_4hr` / `crab_page_3hr` / `crab_page_private` (set a data attribute on each Elementor button, or use a CSS ID on each button).
Purchase attribution	In GA4, run an Exploration: `purchase` by landing page, filtered to this URL. This becomes the KPI for the page. Target: rising share of tours booked from organic.
FAQ engagement	GTM click on `.elementor-tab-title` → event `faq_open` with `faq_question` = Click Text. This shows which questions to move up the page.
Guide link clicks	Track internal clicks from this page to the guide pages (`internal_guide_click`) to see whether visitors research before booking.
Rank tracking	In Rank Math Analytics / Semrush Position Tracking, add crab island tours, crab island tickets, crab island boat tours and crab island excursions destin fl for this URL.
