SEO Audit & Changelog: Santa Rosa Beach SEO Company

URL: **https://rockstar-marketing.com/santa-rosa-beach-seo-company/** · WP ID 12041 · Builder: Classic editor · SEO plugin: All in One SEO
Audit date: 2026-10-25 · Created / modified: 2023-01-04 · Page 18 of 33 in the site queue

Summary. Santa Rosa Beach has the **largest set of local marketing keywords on the site, and it's scattered across 6 different URLs**. This page ranks for none of them. Semrush (US):

Keyword	Vol/mo	Ranking URL today	Pos.
santa rosa beach seo company	170	/web-design/	86
santa rosa beach search engine optimization	90	/seo/	37
santa rosa beach seo	50	/faq/	26
santa rosa beach digital marketing company	50	/ (Home)	17
santa rosa beach seo services	40	/social-media/	2
santa rosa beach internet marketing agency	40	/seo/	1
santa rosa beach digital marketing agency / agencies / services / consultants	4 × 40	/ (Home)	18–44
santa rosa beach seo agencies	40	/ (Home)	25

That's roughly **640 searches/mo** of SEO and digital-marketing intent in one town. Google is guessing which of your pages to show, because the page meant for it (this one) is about 380 words of generic text with no Santa Rosa Beach or 30A content at all. **Plan:** make this the **Santa Rosa Beach SEO & Digital Marketing** page, covering both clusters, and point every other page's SRB mentions here.

Method note: the live site can't be reached from the audit environment. Data comes from WordPress (connector), AIOSEO and Semrush US. *Verify live* = check in the browser.

1. Priority Fix List

#	Priority	Area	Issue → Fix
1	P1	Scattered rankings	Expand the scope to SEO **and** digital marketing: H1 **"Santa Rosa Beach SEO & Digital Marketing Company"**. Add internal links pointing here from /seo/, Home, /faq/, /social-media/ and /web-design/ with SRB anchors (§4). The pages ranking by accident (/web-design/, /social-media/, /faq/) shouldn't use "Santa Rosa Beach SEO" phrasing.

2	P1	No local content	Zero mention of 30A, Walton County, Seaside, WaterColor, Grayton, Rosemary, Alys or Inlet Beach. Rewrite (§5) around the 30A market: luxury vacation rentals, builders and architects, boutiques, restaurants, wedding venues.
3	P1	Keyword anchors	"Santa Rosa Beach SEO Company" → /locations (empty), "Rockstar Marketing" → goo.gl. Replace with the links in §4.
4	P1	SEO title	Template ("Santa Rosa Beach SEO Company – Rockstar Marketing"). New: **"Santa Rosa Beach SEO Company | 30A Digital Marketing"** (52).
5	P1	Duplicate H1	Content H1 plus theme title (*verify*).
6	P2	Copy quality	Lowercase "seo" ×5, "link-building, schema are the keys", stray and an empty paragraph. Fixed in the rewrite.
7	P2	No image, CTA, NAP	Add a real 30A photo, CTA buttons, and the NAP with "serving Santa Rosa Beach & 30A from Destin".
8	P2	Map + goo.gl	Fixed 1000px iframe, 2 goo.gl links. Same fix as the other city pages.
9	P2	Meta description	Generic. Rewrite (§2).
10	P3	Video cross-sell	"santa rosa beach video marketing" (50/mo) ranks #8 via the SRB social page. Leave it there (handled in audit #19); link to it from here.
