SEO Audit & Changelog: Destin Social Media Company

Summary. Semrush has no rankings for this URL in the top 100. Home ranks #2 for "destin social media company" (70/mo) instead, and "destin social media marketing" has about 30/mo. Unlike /destin-seo-company/ (where Home owns the head term at #1), here **this page should own the term**. Social media is Home's secondary topic, and Home only ranks #2 by default because this page is too weak. With a real local page and the anchor "Destin social media company" from Home (already in the Home rewrite) plus /social-media/ and Locations, Google should switch the ranking URL to this page.

Current copy: about 280 words that read like unedited AI text ("will take your social media... to the next level? We got you", "we specializing", "Social Media Companies in the is how"), the claim "Destin's Best social media company" twice, an anchor "Social Media" pointing to the empty /locations/ page, an empty "Contact us" H2, a stock photo with no alt text, and a fixed-width map.

Method note: the live site can't be reached from the audit environment. Data comes from WordPress (connector), AIOSEO and Semrush US (no ranking data for this URL). *Verify live* = check in the browser.

1. Priority Fix List

#	Priority	Area	Issue → Fix
1	P1	Broken / garbled copy	Three grammatically broken sentences and AI filler. Full rewrite with Destin-specific content (§5). This is the main reason the page can't compete.
2	P1	Focus keyphrase	Empty. Set to **"Destin Social Media Company"** (secondary: social media marketing Destin, Instagram marketing Destin, social media management Destin FL).
3	P1	Wrong internal link	Anchor "Social Media" → /locations (empty page, no trailing slash). Replace with the links in §4. Include /social-media/ ("social media marketing services") so the national page and the Destin page reinforce each other.
4	P1	Duplicate H1	The content H1 plus the theme title (*verify live*). Keep one: **"Destin Social Media Company"**. It's an exact match, which suits a local page with modest competition.
5	P1	Unverifiable claims	"Destin's Best social media company" (×2), "staying on top of trends before anyone else". Replace with proof: 100M+ reach in a month, 35,000 fans in 24 hours, local client examples.
6	P2	Empty heading	The "Contact us" H2 has no text under it (the form sits in a separate row). Rename it to "Get a Free Social Media Audit" and add one line of copy.

7	P2	Image	`182142720_s.jpg` (stock, 847×565, http://, alt=""). Replace it with a real photo of Destin content you've produced for a client (e.g. a Reel shot on the harbor), with alt text such as "Instagram Reel filmed at Destin Harbor for a local charter client". Serve it as WebP.
8	P2	Form tracking	This page uses **Quform id 2** (Contact page = id 1, Video = id 3). Give all forms the same /thank-you/ redirect with `?form=2&service=social_media&city=destin`, so GA4 attributes leads correctly.
9	P2	goo.gl links + map	Two goo.gl/maps links (the shortener is retired) and a fixed width="1000" map iframe. Use full Maps URLs, and a responsive, lazy-loaded, titled iframe.
10	P2	Meta description	Generic ("pioneered some of the most Advanced Social Media Techniques..."). Rewrite (§2).
11	P2	Platform list	A bare list (Instagram, Facebook, YouTube, TikTok, LinkedIn, Reddit, Twitter). Turn it into H3 sections with a Destin use case for each. Rename Twitter to X; drop Reddit unless you actively sell it.
12	P3	Inline CSS	A negative margin hack (`margin-top:-50px`) on the Contact row. Remove it once the H2 has content.

About 1,000 words. [Brackets] = your examples and prices.

`<h1>` **Destin Social Media Company**

`<p>` Rockstar Marketing is a Destin social media company that helps local businesses turn followers into customers. We create the content, manage your accounts and run the ads, so your restaurant, charter, rental or shop stays in front of both locals and the visitors who arrive every week. It's the same team and strategy behind our national social media marketing services. [→ /social-media/]

`<h2>` **Social Media Marketing Built for Destin**
`<p>` Marketing in Destin is different. Your audience changes every week in season, peaks around spring break and summer, and drops off in winter, while locals keep you going year-round. Visitors decide where to eat, what charter to book and which shop to visit on Instagram and TikTok, often the same day. We plan content and ad budgets around the seasons, events like the Destin Fishing Rodeo [and Seafood Festival], and the moments when people are deciding. [→ /destin-florida/]

`<h2>` **What We Do for Destin Businesses**

`<h3>` **Content Creation: Photos, Reels & TikToks** `<p>` We shoot on location at your business, on the harbor and on the beach, then edit short-form video and posts that look like Destin and feel like your brand. Longer content runs through our video marketing team. [→ /video-marketing/]

`<h3>` **Social Media Management** `<p>` A monthly content calendar, scheduling, captions, hashtags and community management: replying to comments and DMs quickly, when bookings depend on it.

`<h3>` **Paid Social Ads Targeting Locals & Visitors** `<p>` Facebook, Instagram and TikTok ads targeted to people in Destin right now, people planning a trip, or locals within a few miles, with retargeting and conversion tracking.

`<h3>` **Fan Page Cross-Promotion** `<p>` We control large fan pages that can put your content in front of a far bigger audience than your own followers. One campaign reached more than 100 million people in a month.

`<h3>` **Reviews & Reputation** `<p>` Social proof drives bookings. We help you collect and respond to reviews on Google, Facebook and Tripadvisor, and combine it with local SEO to win the map pack too. [→ /destin-seo-company/]

`<h2>` **Platforms We Manage in Destin**

`<h3>` **Instagram** `<p>` The #1 platform for Destin restaurants, charters, boutiques and rentals: Reels, Stories, collabs and location tags.

<h3> **Facebook** <p> Still the best way to reach locals, Destin community groups and visitors over 35, and the backbone of most ad campaigns.

<h3> **TikTok** <p> Where younger visitors plan their trip. Great for attractions, food and nightlife.

<h3> **YouTube** <p> Tours, how-to and testimonial videos that rank on Google and YouTube for years.

<h3> **LinkedIn & X** <p> For real estate, B2B, professional services and businesses serving Eglin AFB and Hurlburt Field.

<h2> **Destin Businesses We Help**
<p> Restaurants and bars on the Harbor and in Destin Commons-area shopping, fishing and dolphin charters, Crab Island tours, vacation rentals and property managers, real estate agents, medical and dental practices, gyms, salons and home-services companies. Need a website to send all that traffic to? See Destin web design. [→ /web-design/]

<h2> **Results**
<p> 100M+ people reached with one fan page in a month · 35,000 fans in 24 hours · 50+ posts that each reached 1M+ people. [Add 1–2 Destin client results, e.g. "Destin charter: +[X] followers and [Y] bookings from Instagram in [N] months."] We're also the Destin SEO company ranked #1 on Google. See more client results.
