1. Summary

Item	Current state
Role	Trust page. Visitors check it before spending $800+ on a charter, and Google uses pages like this to judge who runs the business and whether they're qualified.
SEO title / meta	Both empty.
H1	"ABOUT CRAB ISLAND TIKI TOURS" (all caps, trailing line break)
Body copy	About 800 words. Warm, specific story: Daniel and Spencer, friends since childhood, nearly 10 years captaining, with Daniel's mom Deanna as a partner.
Team	Captain Bill (50+ years on the water, USCG 100 Ton Master since 1984) has his own page but isn't mentioned here.
Image	One photo of Daniel and Spencer, uploaded as .heic. Chrome, Edge and Firefox can't display HEIC, so most visitors likely see a broken image.
Internal links	1 (Crab Island guide) plus FareHarbor.

2. Critical fixes

#	Issue	Fix
1	P1 Owners' photo probably doesn't display	FullSizeRender-1.heic is the only image on the page. Convert it to WebP or JPEG (about 1200 px wide) and re-insert it, with width and height set. Check other pages for .heic files too (post 910's featured image is one).
2	P1 Empty SEO title and meta	Fill both (section 3).
3	P1 Captain Bill is missing	Add a "Meet Your Captains" section with Daniel, Spencer and Captain Bill, each with a photo, licence type and years on the water, and a link to Captain Bill's full page. His record (deckhand since 1975, USCG 100 Ton Master since 1984) is the strongest credential on the site and should be visible here.
4	P2 Licence details are vague	"licensed captains for nearly a decade" doesn't say which licence. Name it for Daniel and Spencer the way the Captain Bill page does (e.g. "USCG Master" or "OUPV"), and give the year they started.

5	P2 Author bylines on the guides	Earlier changelogs suggested a "By Captain Bill" line on the guides. If Daniel or Spencer wrote them, use their name instead. Either way, each named author should link to a short bio on this page.

3. SEO title and meta description

Field	Current	New
SEO title	(empty)	**About Crab Island Tiki Tours | Locally Owned Destin Charters** (60 characters)
Meta description	(empty)	**Meet the family and captains behind Crab Island Tiki Tours: lifelong Emerald Coast locals running private tiki boat charters out of Destin Harbor.** (146 characters)
H1	ABOUT CRAB ISLAND TIKI TOURS	**About Crab Island Tiki Tours** (sentence case; style with CSS if wanted)
URL / WP title	/about/, "Our Story"	Keep the URL. WP title can stay "Our Story".

4. Heading structure

Current

H2  Built on Friendship. Powered by Family.
H2  Why We Started Crab Island Tiki Tours
H2  Designed With Guests in Mind

```

New

```

H2  Meet Your Captains                          (new)
  H3  Captain Daniel
  H3  Captain Spencer
  H3  Captain Bill
H2  Built on Friendship and Family              (Deanna)
H2  Why We Started Crab Island Tiki Tours
H2  Our 32-Foot Tiki Boat                        (renamed, add specs)

```

Headings like "Built on Friendship. Powered by Family." read well as taglines but carry no search meaning. Keep the tagline as a styled sentence under a plain H2.

5. Content rewrites (paste-ready)

H2: Meet Your Captains (new)

> **H3: Captain Daniel**
> Raised on the Emerald Coast and captaining for nearly 10 years. Daniel got into the boating industry first and taught Spencer everything he knew. *(Add licence type, start year, and one personal detail.)*
>
> **H3: Captain Spencer**
> Daniel's best friend since childhood and fellow high school football teammate. Spencer learned the water alongside Daniel and now runs charters out of Destin Harbor. *(Add licence type and start year.)*
>
> **H3: Captain Bill**
> More than 50 years on Destin's waters. Bill started as a deckhand in 1975, earned his U.S. Coast Guard 100 Ton Master's license in 1984, and has lived on the Emerald Coast since 1968. Read Captain Bill's story.

H2: Our 32-Foot Tiki Boat (expanded from "Designed With Guests in Mind")

> Our tiki boat is 32 feet long and seats up to 18 guests under a full tiki roof. It has cushioned seating, an open layout and one of the roomiest bathrooms you'll find on a boat this size. Every trip includes a USCG-licensed captain, life jackets in adult and child sizes, a Bluetooth speaker and a cooler with ice and water. *(Add engine, year built or other specs if you want to.)* See our private Crab Island charters and sunset cruise.

H2: What Guests Say (new)

> Add the same Trustindex Google reviews widget used on the Home page, or 3 short quotes with first names and dates. Reviews next to the founders' story are strong trust signals.

Wording fixes

- "The difference now? They get to share that experience with thousands of visitors every year." Fine if accurate. If you have a real number ("more than 2,000 guests in 2026"), use it.
- The copy has 5 em dashes. That's a style choice, but if you're trying to avoid an "AI-written" feel, swap them for commas or periods.
- The HTML has `data-start` / `data-end` attributes like the FAQ page. Paste as plain text when editing.
