SEO Changelog: How Do You Get to Crab Island?

URL: https://crabislandtikitoursdestin.com/about-crab-island/how-to-get-to-crab-island/ | WP page ID 788 (block content) | Last modified July 27, 2026 | Audit date: October 28, 2026 | Page 9 of the site queue

Method: content, headings, links, images and SEO meta were pulled from WordPress through the site connector. Template issues A to G (see the What Is Crab Island changelog) apply here too: broken /charters/private-crab-island-pontoon-destin/ link, "$900", plain-text phone, footer self-link, FAQ markup, shared infographic, author line.

1. Summary

Item	Current state
Role	Comparison page for "how to get to crab island", "crab island shuttle" and "can you walk to crab island". Visitors here are close to choosing a boat, so it's the guide most likely to lead to a booking.
SEO title	How Do You Get to Crab Island? 4 Ways Compared (46 characters, good)
Meta description	149 characters, ends with "from $900"
H1	How Do You Get to Crab Island? (good)
Body copy	About 1,800 words. Clear four-option structure and a comparison table.
Headings	Three empty H2 tags in a row after Key Takeaways.
Internal links	1 body link (broken). The shuttle option doesn't link to your own public tour page.

2. Critical fixes

#	Issue	Fix
1	P1 Three empty H2s	Three H2 tags containing only a non-breaking space sit after Key Takeaways. Delete all three.
2	P1 Shuttle option doesn't send traffic to your sister company	Option 1 describes shuttles but links nowhere. Link it to /public-crab-island-boat-tours-destin/ (renamed page 892), which refers people to Bikkini Bottom.
3	P1 Shuttle details don't match Bikkini Bottom	Page says shuttle trips run "usually around three hours" and cost "$50 to $60". Bikkini Bottom's Crab Island tour is listed as 4 hours from $59.99. Use "3 to 4 hours, about $50 to $75 per adult" as a market range, and quote Bikkini Bottom's actual numbers where you mention them.
4	P1 Boater safety wording	Florida's rule applies to anyone born **on or after** January 1, 1988 operating a vessel of 10 horsepower or more. The page says "born after" in four places. Fix the wording and cite the Florida Fish and Wildlife Conservation Commission (FWC) boating education page.

5	P2 Cancellation wording conflicts	Here: "rescheduling works with 7 days notice depending on availability." Bachelorette page: "full refund or credit with 7 days notice." Use the same policy text on every page (ideally one synced block).
6	P2 Market prices without a source	Pontoon "$400 to $800 per day" and jet ski "$100 to $200 per hour" are fine as estimates, but label them "typical 2026 rates in Destin" and recheck each season. Keep them identical to the Cost page.

5. Content rewrites (paste-ready)

H3: 1. Shuttle or Public Tour Seats (revised)

> Shuttle and public tour boats sell individual seats on a set schedule, usually 3 to 4 hours at the sandbar. Expect about $50 to $75 per adult. A captain and crew stay aboard, larger boats have restrooms, and most let you bring a cooler. Our sister company, Bikkini Bottom, runs a 4-hour public Crab Island tour. See public Crab Island tours.
>
> It's the best fit for couples, solo travelers and small groups who want the lowest cost per person. You share the boat, though, and you leave when the schedule says.

H3: 2. Pontoon Rental (revised sentence)

> Florida requires anyone born on or after January 1, 1988 to carry a boater safety education ID card to operate a boat with 10 horsepower or more (FWC boating education). Many rental companies offer a temporary certificate test on site. See tiki boat vs pontoon rental for a full comparison.

Confirm the temporary certificate detail with FWC before publishing. It's a common rental practice in Florida, but this audit could not check the current rules.

New FAQ

> **Is there a ferry to Crab Island?** No public ferry runs to Crab Island. Shuttle and public tour boats fill that role, selling individual seats from Destin Harbor. See public Crab Island tours.

Revised FAQ answer: Do I need a boating license?

> Only if you drive the boat yourself. Florida requires a boater safety education ID card for anyone born on or after January 1, 1988 who operates a vessel with 10 horsepower or more. On a captained charter, the USCG-licensed captain runs the boat, so nobody in your group needs one.

H2: When to Book (replaces "Planning Ahead Pays Off")

> Peak season runs Memorial Day through Labor Day, and weekends sell out first. Book a private charter 3 to 7 days ahead, earlier for holiday weekends. Same-day openings happen, so call 850-613-1966 for last-minute dates. *(Insert the same cancellation policy block used on the Bachelorette and FAQ pages.)* For quieter days, see the best time to visit Crab Island.

Consider one small photo per option (shuttle boat, pontoon, tiki boat, jet ski). Use your own photos or licensed ones only.

8. Technical

#	Item	Action
1	P1 Empty headings	See critical fix 1.
2	P2 Schema	Article and FAQPage. Skip HowTo schema (Google stopped showing HowTo rich results in 2023).
3	P2 Table markup	The comparison table is a real HTML table, which is good. Add a caption ("Ways to get to Crab Island compared") so it reads well out of context.
4	P3 Breadcrumbs	Home > About Crab Island > How to Get to Crab Island.

9. Tracking

Event	Setup
option_click	Fire when visitors click from an option section to a booking page, with `option=shuttle|pontoon|private|jetski`. Shows which option readers lean toward.
outbound_click	FWC link and any Bikkini Bottom link.
book_now_click / phone_click	`guide_name=how_to_get`. This guide should show the most booking clicks of the eight; if it doesn't, test a mid-page CTA after the comparison table.
