1. Summary

Item	Current state
Role	Broad "things to do in Destin" post. High search volume but very competitive. Its business value is sending readers to the sunset cruise and private charters.
SEO title	" Things to Do in Destin Besides Crab Island" (leading space, 43 characters)
Meta description	145 characters. Keep.
Body copy	About 1,100 words, 8 numbered ideas. Accurate local mentions (Henderson Beach State Park, HarborWalk Village, Gulfarium, Destin Commons).
Internal links	One ("Want to spend time at Crab Island?"). The sunset cruise and dolphin sections, your own products, aren't linked.
Category	Uncategorized

2. Critical fixes

#	Issue	Fix
1	P1 Sunset cruise section has no link	Section 4 describes your private sunset cruise but never links to it. Add "private sunset cruise" linking to /charters/private-sunset-cruise-in-destin-fl/ plus a "See sunset cruise details" button.
2	P1 Dolphin section has no link	Section 1 ends by pitching your charter with no link. Link "private boat charter in Destin" to the Charter page and "look for dolphins" to the sunset cruise.
3	P1 Leading space in SEO title	Replace with the new title in section 3.
4	P2 Fireworks mention	Section 3 mentions fireworks at the harbor. Link to the public tours page, where Bikkini Bottom's fireworks cruise is referred.
5	P2 Small errors	Missing period after "...without much of an itinerary". Only the "s" in "passengers" is bold in the closing section; remove the bold.

3. SEO title and meta description

Field	Current	New
SEO title	" Things to Do in Destin Besides Crab Island"	**8 Things to Do in Destin Besides Crab Island (Local Picks)** (58 characters)
Meta description	Looking for things to do in Destin besides Crab Island? Learn more about dolphin tours, beaches, fishing, sunset cruises, Destin Harbor and more.	Keep.
Category	Uncategorized	Things to Do in Destin

A head-on fight for "things to do in Destin" against tourism boards and big travel sites is unlikely to win. The "besides Crab Island" angle is the right niche; keep it in the title.
