SEO Changelog: What Should You Bring to Crab Island?

URL: https://crabislandtikitoursdestin.com/about-crab-island/what-to-bring-to-crab-island/ | WP page ID 792 (block content) | Last modified July 27, 2026 | Audit date: October 28, 2026 | Page 13 of the site queue (also covers post 773)

Method: this page and the overlapping blog post 773 were pulled from WordPress through the site connector. Template issues A to G (see the What Is Crab Island changelog) apply. This page has no broken charter link.

1. Summary

Item	Current state
Role	Packing list for "what to bring to crab island". Read by people who already booked or are about to, so it's a good place to upsell trip length and remind them of the booking details.
SEO title	What Should You Bring to Crab Island? Packing List (50 characters, good)
Meta description	152 characters, no price. Keep.
Body copy	About 1,700 words. Practical (freeze water bottles, split coolers, cover-up for restaurant stops).
Headings	Three empty H2s and three empty paragraphs after Key Takeaways.
Internal links	1 body link (bachelorette). Nothing to the charter, depth, best time or family pages.
Duplicate	Post 773 at /what-to-bring-to-crab-island/ covers the same topic with a near-identical slug.

2. Critical fixes

#	Issue	Fix
1	P1 Duplicate page: post 773	Post 773 uses three H1 tags, has a typo ("alwamix"), an em dash, and lives at /what-to-bring-to-crab-island/, which differs from this page's URL only by the /about-crab-island/ folder. Move its unique points into this page (cover-up and change of clothes, medications in the dry bag, charcuterie idea), then 301 post 773 to this URL. The Private Charter page links to post 773; update that link.
2	P1 What's included conflicts across pages	This page tells guests to bring floats and lists no toys onboard. Post 773 says the boat has an inflatable mat, a paddle board and water toys. The Bachelorette page says "water toys and floats" are included. Confirm what's actually onboard and use one synced "What's included" block everywhere. If floats are provided, change "Fun Extras" so guests don't haul their own.

3	P1 Empty headings and paragraphs	Delete 3 empty H2s and 3 empty paragraphs.
4	P2 Glass rule stated too broadly	"glass containers are prohibited on every boat in Destin" and "prohibited on the boat and at the sandbar". Unless there's a county or city ordinance you can cite, say "Glass isn't allowed on our boat, and most Destin operators ban it too."
5	P2 Restaurant stops	"Our captains routinely stop at waterfront restaurants and bars along the harbor." Confirm this is offered on 6 and 8 hour trips, then mention it on the Charter page too. It's a selling point that only appears in the guides.
6	P2 Template items	"$900", plain-text phone, footer self-link, FAQ markup.

3. SEO title and meta description

5. Content rewrites (paste-ready)

H2: Crab Island Packing Checklist (new)

> Screenshot this or download the printable checklist (PDF).
>
> - Swimsuit (wear it), cover-up or T-shirt, dry change of clothes
> - Reef-safe sunscreen SPF 30+, face stick, hat, polarized sunglasses
> - Towel for each person
> - Water shoes or strap sandals
> - Dry bag: phone, wallet, keys, medications
> - Waterproof phone pouch and portable charger
> - Drinks in cans or plastic (no glass), water, snacks or lunch
> - Cash in small bills for floating vendors
> - Floats or toys *(remove if provided onboard)*
> - Decorations for celebrations (no confetti or glitter)
> - ID for anyone drinking alcohol (21+)

H2: What to Wear (new)

> Wear your swimsuit to the dock, since there isn't much room to change on board. Bring a light cover-up or T-shirt for the ride back and for any restaurant stop on longer trips. A long-sleeve swim shirt protects better than sunscreen for kids and anyone in the water for hours. Pack a dry change of clothes in a dry bag if you have plans after the trip.

H3: Alcohol and the No-Glass Rule (revised)

> Guests 21 and older can bring alcohol with valid ID. Use cans, plastic bottles or pouches. Glass isn't allowed on our boat, and most Destin operators ban it too, because broken glass in shallow water where people walk barefoot is a real hazard.

H2: Packing for Kids (new)

> Bring water shoes, a rash guard or long-sleeve swim shirt, extra sunscreen, snacks they'll actually eat and a small float or snorkel mask. We carry child-size life jackets, but bring your own if your child is used to it. Most of the sandbar is 2 to 4 feet deep. Read how deep the water is at Crab Island and is Crab Island family friendly? before you go.

New FAQ

> **Can I bring a paddle board or kayak on the charter?** *(Owner to answer. If a paddle board is already onboard, say so here.)*
