SEO Changelog: Crab Island Bachelorette Party

URL: https://crabislandtikitoursdestin.com/crab-island-bachelorette-party-destin/ | WP page ID 492 (Elementor, Rank Math) | Last modified July 7, 2026 | Audit date: October 28, 2026 | Page 4 of the site queue

Method: content, headings, links, images and SEO meta were pulled from WordPress through the site connector. The live URL could not be loaded from the audit environment, so rendered-page checks are listed as checks to run.

1. Summary

Item	Current state
Role	Landing page for bachelorette groups. Should rank for "destin bachelorette party", "crab island bachelorette party" and "bachelorette boat destin". High-value audience: full boat, planned weeks ahead.
SEO title	Crab Island Bachelorette Party | Private Tiki Boat in Destin, FL (64 characters, good)
Meta description	236 characters and contains a typo: "bird tribe" instead of "bride tribe".
H1	Three separate H1 tags: "The Ultimate", "BACHELORETTE", "TIKI BOAT PARTY".
Body copy	About 200 words. The thinnest sales page on the site.
Internal links	Zero. Every link goes to FareHarbor or to "#".
Buttons	2 of 4 calls to action go nowhere (href="#").
Images	13 image tags, all 13 with empty alt text (6 carousel images output twice, plus one more).
Facts found here	Cancellation policy (7 days notice for full refund or credit, weather cancellations refunded, no-shows charged in full), water toys and floats, cooler with ice and water, Bluetooth speaker. These should also appear on the charter and FAQ pages.

2. Critical fixes

#	Issue	Fix
1	P1 Dead booking button	The second "Book Your Bachelorette Party" button (under "Make unforgettable memories!") links to "#". Point it to the FareHarbor booking flow.
2	P1 Dead price links	"4 Hour Private Charter $900" and "8 Hour Private Charter $1,800" link to "#". Link each to its FareHarbor item (643424 for 4 hours, 746740 for 8 hours) or remove the link styling.
3	P1 Prices don't match the charter page	Here: 4 hours $900, 8 hours $1,800. Private Charter page: 4 hours from $800, 8 hours from $1,600. If bachelorette pricing is different on purpose, say so ("bachelorette package"). Otherwise match the charter page.

4	P1 Three H1 tags	The headline is split into three H1 widgets. Replace them with one H1: "Crab Island Bachelorette Party in Destin, FL". Keep the big stacked look with CSS or a styled span, not three headings.
5	P1 Meta typo	"bird tribe" should be "bride tribe". Rewrite in section 3.
6	P2 "Captain and Crew"	The included list says "Licensed Captain and Crew". Every other page says captain only. Use one wording that matches what you actually provide.
7	P2 Duplicate cancellation text	The cancellation policy prints twice: inside the accordion and again as a plain paragraph. Delete the copy. Same issue as the Sunset page.

5. Content rewrites (paste-ready)

Facts below come from this page and the Sunset and Charter pages. Items in italics need the owner's confirmation.

H1 and intro

> **H1:** Crab Island Bachelorette Party in Destin, FL
>
> Get the whole bride tribe on one private tiki boat and spend the day at Crab Island. Bring your own drinks, play your own playlist on our Bluetooth speaker, and float in the shallow water while a licensed captain handles the boat. There's room for up to 18 guests and a bathroom onboard, so nobody has to leave the party.

H2: Why Bachelorette Groups Book Our Tiki Boat

> - **Private boat:** it's only your group, no strangers.
> - **BYOB-friendly:** bring your favorite drinks. We supply a cooler with ice and water.
> - **Bathroom onboard:** a big deal on a 4 to 8 hour trip.
> - **Room for 18:** one boat instead of splitting the group across two pontoon rentals.
> - **No driving:** your captain anchors, watches the weather and gets everyone back to the harbor.
>
> Split across 18 guests, a 4-hour charter at $900 works out to $50 per person. *(Update if the price changes.)*

H2: Bachelorette Charter Packages

> **H3: 4-Hour Crab Island Bachelorette Charter** (from $900)
> The most popular choice. Plenty of time to swim, float, take photos and visit the floating vendors.
>
> **H3: 8-Hour Full-Day Bachelorette Charter** (from $1,800)
> Make the boat your home base for the day: Crab Island, a cruise through Destin Harbor and stops along the shoreline.

- Private tiki boat with seating for up to 18
- Bathroom onboard
- Bluetooth speaker

H2: How a Bachelorette Day at Crab Island Works

H3: Meet at Destin Harbor
Bring your coolers and bags to the dock. Your captain gives a quick safety briefing and you're off. Crab Island is about half a mile away.

H3: Party at the Sandbar
The captain anchors in shallow water, usually 2 to 4 feet deep. Hop in, pull out the floats and start the playlist.

H3: Head Back (or Catch the Sunset)
Cruise back to the harbor at the end of your charter, or book the sunset combo to end the day with photos on the water.

H2: Bachelorette Planning Tips

H3: When to Book
Weekend dates in spring and summer go first. Reserve as soon as you know your date, then share the confirmation with the group. Read the best time to go to Crab Island for crowd and tide timing.

H3: What to Bring
Drinks in cans or plastic, snacks, sunscreen, water shoes, towels and cash for the floating vendors. Full list: what to bring to Crab Island.

H3: Photos and Themes
Matching swimsuits and sashes photograph well against the green water. *(Add the decoration policy: are banners, balloons or confetti allowed? Most boats ban confetti.)*

H2: Bachelorette Party FAQs (Rank Math FAQ block)

Can we bring alcohol? Yes, the boat is BYOB-friendly. No glass. *(Add age rule if any.)*

How many people fit? Up to 18 guests.

Can we decorate the boat? *(Owner to answer.)*

> **Is there a bathroom?** Yes, onboard.
>
> **What is your cancellation policy?** Full refund or credit with 7 days' notice. If we cancel for weather or other unforeseen reasons, you get a full refund or credit. No-shows are charged the full price. Call us to cancel.
>
> **What if the bride is a non-swimmer?** Most of Crab Island is 2 to 4 feet deep. See how deep the water is at Crab Island.

- The carousel repeats 6 images (12 tags). Use lazy loading on the clones or switch to a grid.
- If you have photos of actual bachelorette groups (with permission), use them here. They'll convert better than generic boat shots. Set one as the featured image.

8. Technical

#	Item	Action
1	P1 Schema	Add Product or TouristTrip schema with two Offers (4 hr $900, 8 hr $1,800, or the corrected prices) and FAQPage for the new FAQ block.
2	P2 Generic booking links	All Book buttons open the full FareHarbor item list (`?full-items=yes`), so bachelorette visitors must pick a product again. Link to the specific item or create a FareHarbor "Bachelorette" flow with only the relevant charters.
3	P2 URL	/crab-island-bachelorette-party-destin/ is good. Keep it.
4	P3 Speed	12 carousel images at 800×800 plus a 768×1024 JPEG. Check mobile LCP and total image weight in PageSpeed Insights.

9. Tracking

Event	Setup
book_now_click	`tour_name=bachelorette`, `fareharbor_item`, `button_location` (hero, price_list, mid_page, final_cta). Do this after fixing the "#" links, or the data will show clicks that went nowhere.
Segment bachelorette bookings	Because the booking flow is shared, GA4 can't tell a bachelorette booking from a family booking. Either use a separate FareHarbor flow ID for this page, or add a tracking/ref code to the booking URLs if your FareHarbor account supports one (check with FareHarbor support). Then filter purchases by that value.
Ads audience	Build a GA4 audience of visitors to this page who did not purchase, for Google and Meta remarketing during peak bachelorette season (spring and summer).
faq_open / cancellation_view	Optional: track opens of the cancellation accordion. A high rate suggests the policy needs to be shown higher up.
