SEO Audit & Changelog: Pensacola Web Design

URL: **https://rockstar-marketing.com/pensacola-web-design-company/** · WP ID 12157 · Builder: Classic editor · SEO plugin: All in One SEO
Audit date: 2026-10-25 · Created / modified: 2023-01-08 · Page 23 of 33 in the site queue

Summary. This is the second-biggest opportunity on the site, after Pensacola SEO. The Pensacola web design cluster in Semrush (US):

Keyword	Vol/mo	KD	CPC
web design pensacola	320	34	$14.92
pensacola web design	210	8	$14.92
web design pensacola fl	140	7	$14.92
website design pensacola	110	5	$11.63
pensacola website design	110	6	$14.92
pensacola web designer	20	0	n/a
pensacola web design company (current focus)	*0*	n/a	n/a

That's about **910 searches/mo**, mostly at KD 5–8, and **the site doesn't rank in the top 100 for any of it**. The page's current focus ("...company") gets 0 searches. The copy is about 430 words of generic AI text with no Pensacola facts, typos ("now matter when it is", "Rockstar marketing"), the same stock image used on 3 web design pages, keyword anchors → /locations and goo.gl, and a Destin map. Unlike SEO, web design has no map-pack dependence for most of these queries, so organic top 5 is realistic with a strong page, a portfolio and a few Pensacola links.

Method note: the live site can't be reached from the audit environment. Data comes from WordPress (connector), AIOSEO and Semrush US. *Verify live* = check in the browser. Check the local references.

1. Priority Fix List

#	Priority	Area	Issue → Fix
1	P1	Keyword target	Focus → **"Pensacola Web Design"** (210/mo, KD 8). Secondary: web design Pensacola FL, Pensacola website design, website design Pensacola. New H1: **"Pensacola Web Design"**.
2	P1	Generic copy	Rewrite to about 1,200 words (§5): Pensacola business types, services, portfolio, process, pricing, FAQ.
3	P1	SEO title	Template. New: **"Pensacola Web Design | Website Design in Pensacola, FL"** (54). It covers 4 of the 6 phrases.
4	P1	Portfolio	A Pensacola web design page with no websites on it. Add 3–6 project tiles (Pensacola or Gulf Coast clients first).

5	P1	Keyword anchors	"Pensacola Web Design Company" → /locations and "Pensacola Web Design" → goo.gl. Replace per §4.
6	P1	Duplicate H1	Content H1 + theme title (*verify*).
7	P2	Typos	"now matter when it is" → "no matter when"; "Rockstar marketing" → "Rockstar Marketing"; "Company designers"; "a website working for you 24/7, benefits from".
8	P2	Stock image (3rd use)	final-slide-11 is also on the FWB and Destin web pages. Use a real project screenshot.
9	P2	Map	Drop the Destin office map and goo.gl links (consistent with the other Pensacola pages).
10	P2	Pricing	The CPCs ($12–15) show buyers are comparing options. Publish a price range (consistent with /web-design/).
11	P2	Links	Share the Pensacola link-building plan with the SEO page (PS-07). "Website by Rockstar Marketing" footer links on Pensacola client sites are the most natural option.
12	P3	Meta description	Grammatically awkward ("a website working for you 24/7, benefits from"). Rewrite (§2).

2. Meta Tags & Search Appearance (AIOSEO)

Field	Current	New
SEO title	#post_title #separator_sa Rockstar Marketing	**Pensacola Web Design | Website Design in Pensacola, FL**
Meta description	Our Pensacola Web Design Company knows that a website working for you 24/7, benefits from... (150)	**Pensacola web design since 1996. Fast, mobile-friendly WordPress and Shopify websites built to rank on Google and win customers. Get a free quote.** (146)
Focus keyphrase	(empty; the title targets "...Company", 0/mo)	Pensacola Web Design
Additional	none	web design Pensacola FL · Pensacola website design · website design Pensacola
H1	Pensacola Web Design Company	Pensacola Web Design
Slug	/pensacola-web-design-company/	Keep it. It isn't ideal, but changing it isn't worth the 301 and link updates. "pensacola-web-design" is still a prefix of the slug.
