1. Summary

Area	Current state	Priority
Role	Search volume is small ("what to bring to crab island", "crab island tips", "crab island rules", "crab island alcohol": about 20/mo each). This is a **support page**: it reassures people who are about to book and gets linked from confirmation emails. Its value comes from conversions and internal links more than rankings.	—
Leaves out BYOB	The page never says guests may **bring their own alcohol (21+)**, one of your biggest selling points (FAQ, Crab Island page). It also omits ID.	**High**
Cooler contradiction	This page says "no need to bring your own... cooler". The FAQ says "bring... a small cooler", and the Crab Island page says "A small cooler is a great idea". Pick one answer site-wide. [Owner: Is a cooler with ice provided? Can guests bring their own?]	**High**
No H1 / Rank Math	Starts with an H2; the SEO title is empty. The meta description is ungrammatical ("...to go to guide for a great day...").	**High**
Headings	16 packing items are bold text in paragraphs, so there are no H3s to scan or to show as list snippets.	**Medium**
No CTA, generic voice	No Book Now. The weather section says "your tour company will let you know" instead of "we will".	**Medium**
Missing practicals	Arrival time, parking, kids' items (swim diapers, kids' lifejacket note), motion-sickness tip and Crab Island rules.	**Medium**
Images / links	The "Crab Island and Destin Boat Rentals" alt is inaccurate. Infographic PNG again. Self-link (4th item) in the guide list. YouTube 560×435.	**Low**

H2 Crab Island Rules: Alcohol, Glass & Safety

Crab Island is public water managed by Okaloosa County and Florida wildlife officers, who patrol it on busy days. Plan around these basics:

- **Alcohol:** adults 21+ only. Officers enforce underage drinking and boating-under-the-influence laws. (On our tours, the captain drives, so you don't have to.)
- **No glass:** broken glass in shallow water is a hazard. Bring cans and plastic. [verify any current county glass ordinance]
- **Stay near your boat** and away from the channel, where currents are strong.
- **Pack out your trash.** We keep a trash bag onboard.

H2 Crab Island Tips: Weather, Tides & Timing

*(Keep the existing two paragraphs, changing "your tour company will let you know" → "**we'll contact you** about any schedule change" and adding:)* Arrive [15–20] minutes early to check in at 530 Harbor Blvd, and park free across the street at Craft Bar. Directions. Prone to motion sickness? Crab Island is in calm, protected water, but take your usual remedy before boarding just in case.

H2 Printable Crab Island Checklist

(Keep the existing checklist and add: ID · drinks in cans/plastic · water · cash or card for vendors · kids' swim diapers.) **[Download the printable checklist (PDF)] [Book Your Crab Island Tour]**

Issue	Fix	Priority
H1 + Rank Math	First heading → H1; title and meta replaced.	**High**
Bold items → H3 / lists	Rebuild "Essentials", "Extras" and "What not to bring" with H3s or Elementor Icon Lists. Search engines can then show the list as a snippet.	**Medium**
Printable PDF	Create a 1-page checklist PDF (brand colors, QR code to booking). Upload it and link it. Optional: gate it behind an email field (WPForms) to build a remarketing list.	**Low**
Images	IMG_8810 alt → **"Bachelorette group celebrating on a private Crab Island charter"** [describe the actual photo]. Infographic → WebP + caption.	**Low**
YouTube	Lazy Video widget, 16:9.	**Low**
Schema	Article + FAQPage + Breadcrumb. Optionally HowTo-style ItemList for the checklist (no rich result, but clear structure for AI answers).	**Low**

8. Tracking

Item	Setup
Checklist download	GA4 enhanced measurement `file_download` (auto for .pdf). If gated, `generate_lead` with `lead_type` = checklist.
Confirmation-email traffic	Tag the email link `?utm_source=fareharbor&utm_medium=email&utm_campaign=confirmation` to see how many booked guests read the page (and whether they book add-ons like the sunset cruise).
Book CTA	`begin_checkout` with `link_location` = packing_page.
