1. Summary

Area	Current state	Priority
Role of the page	16 good, factual answers, but they sit on an orphan-style page: no links out, no grouping, and no ranking data. The FAQ should be the **hub** that answers booking and logistics questions briefly and links to the deep pages.	**High**
Headings	H1 "FAQs" and H2 "Frequently Asked Questions" say the same thing. The 16 questions are accordion titles (not headings), so search engines see a flat block of text.	**High**
Rank Math	Focus keyword "frequently asked questions" (no local or commercial value). Title is 76 chars (truncated). Meta (181 chars) promises "pricing", but no answer gives a price.	**High**
Missing questions	No answers on cancellation/weather, price, ages/kids, accessibility, arrival time, glass/pets, restroom, tipping or capacity, the things people ask before they book.	**High**
Consistency	"Click the **Book Online** button" (buttons say "Book Now"). It lists "Daytime Dolphin Tours" but no daytime booking link exists (see Dolphin changelog). "Part of Destin since 1978" appears nowhere else; confirm before keeping.	**Medium**
Internal links	None in any answer.	**High**
Markup	Two empty `<p> </p>` paragraphs; no FAQPage schema (VERIFY).	**Low**

2. Keyword & question targeting

Question / keyword	Vol.	Where it's answered
where is crab island (+ florida / in destin / located)	1,000 + 320 + 320 + 210 + 110	Short answer here → full answer on **What is Crab Island**
how to get to crab island / how do I get to crab island / … destin	260 + 110 + 110 + 140	Short answer here → **Public vs Private** and **Cost** pages

how far is crab island from destin	210	Answer here (about 5–10 minutes by boat from Destin Harbor; VERIFY with the captain)
how to get to crab island without a boat / can you drive to crab island	90 / 70	Answer here ("No, it's only reachable by boat") → link to tours
destin boat tour faq / bikkini bottom faq (brand + logistics)	low	This page

> **Focus keyword:** "**destin boat tours faq**"; secondary: crab island questions, how to get to crab island. Each answer stays short (40–80 words) and links to the page that owns the topic, so this page supports the money pages instead of competing with them.

[Owner: yes/no. FareHarbor supports gift cards.]

H2 Parking & Getting to the Boat

H3 Where is the boat located?

530 Harbor Blvd, Destin, FL 32541, on Destin Harbor. Look for the Bikkini Bottom sign and check-in booth. Map and directions.

H3 Where do I park?

Free parking is across the street at Craft Bar (541 US-98). Take a left at the end of the driveway and park behind the small offices; signs will guide you. **Don't park at the boat location; you may be towed.** Please lock up your valuables.

H3 How do I walk from parking to the boat?

Walk toward the highway, turn left to the Benning Dr. light, use the crosswalk across Highway 98 and head to the marina. Boarding is walk-on.

H3 ★ How early should I arrive?

Please check in [15–20] minutes before departure. Boats leave on time.

H3 ★ Can I get dropped off or take an Uber?

Yes. Use 530 Harbor Blvd as the drop-off address.

H2 Crab Island Questions

H3 ★ Where is Crab Island?

Crab Island is a shallow sandbar in Choctawhatchee Bay, just north of the Marler Bridge between Destin and Okaloosa Island. What is Crab Island?

H3 ★ How far is Crab Island from Destin Harbor?

About a [10]-minute boat ride from our dock.

H3 ★ Can you get to Crab Island without a boat?

No. Crab Island is surrounded by water and can only be reached by boat: a tour, shuttle, pontoon rental or private charter. Compare your options.

H3 What can I expect on a Crab Island tour?

Clear, waist-deep water, floating vendors and a party atmosphere. We anchor in the middle of the action so you can swim, float and grab food from vendor boats. See Crab Island tours.

H2 Safety, Kids & Accessibility

H3 Is the boat family-friendly?

Absolutely. Families, couples and groups of all ages ride with us. Is Crab Island safe for kids?

H3 What safety measures do you have?

Licensed, experienced captains; all Coast Guard-required safety equipment; lifejackets for every guest.

H3 ★ Is there a minimum age?

[Owner: e.g. "All ages welcome; infants must wear a properly sized lifejacket, which we provide."]

H3 ★ Is the boat wheelchair accessible?

Boarding at the marina is walk-on. At Crab Island, getting into the water is by ladder, so we don't consider Crab Island tours handicap accessible. Call us to discuss sunset or dolphin cruises.

H3 What makes Bikkini Bottom different?

7. Technical fixes

Issue	Fix	Priority
Accordion markup	Use 7 Elementor Accordion widgets (one per group). Title HTML Tag = H3. Leave the first item open so the page isn't blank above the fold. Elementor keeps collapsed answers in the HTML, so they still get indexed.	**High**
Jump menu	Add a group nav at the top with anchors (`#booking`, `#tours`, `#onboard`, `#parking`, `#crab-island`, `#safety`, `#about`). Other pages can deep-link (e.g. Contact → `/faqs/#parking`).	**Medium**
Empty paragraphs	Remove the 2 `<p> </p>` under "Can I bring food" and "Is your boat family-friendly".	**Low**
Wording	"Book Online" → "Book Now" (matches the buttons).	**Low**
Image / OG	No images. Add one hero photo (boat at dock, alt **"Bikkini Bottom charter boat docked at 530 Harbor Blvd, Destin"**) and set it as the OG image. The dock photo also helps first-timers find the boat.	**Low**
Schema	FAQPage with all 33 Q&As. Use Rank Math's FAQ schema type or a custom JSON-LD block. Leave out answers with unfilled [brackets] until they're completed. Add BreadcrumbList.	**Medium**
