1. Summary

Area	Current state	Priority
Wrong booking link	The **Sunset & Dolphin "Book Now" opens item 550737, the Fireworks item**. The homepage uses 550732 for Sunset/Dolphin. Sunset customers land on the wrong product, or the button is mislabeled. The Fireworks "Book Now" opens the generic item list. Both still carry old `/calendar/2025/03/` or `elementor-preview` parameters.	**Critical**
Rankings	The page ranks for 30+ sunset-cruise phrases, but all sit on pages 3–5 (positions 26–45). The cluster totals roughly **4,500 searches/month** ("sunset dolphin cruise destin" 720, "sunset cruise destin fl" 720, "sunset dolphin cruise destin fl" 590, "sunset cruise destin" 480…). Only "fireworks cruise destin fl" ranks top 10 (#5–6, 70–90/mo).	**High**
Slug	`/crab-island-tours-in-destin-fl-2/`: a duplicate-style slug that says "crab island" on a sunset page.	**High**
H1 / headings	The H1 says "Destin **Firework** Cruises" (singular typo) and is split by ` `. The first H2 repeats the H1 word for word. "Want to See Crab Island Instead?" is an H2 for a cross-sell.	**High**
Content	About 330 words of generic hype ("totally epic", "fireworks frenzy"). Missing: departure time, season, which nights fireworks run, what to bring, BYOB, parking, dolphin facts, prices. "Check Rates Below!" appears twice with no rates below.	**High**
Keyword field	Targets "sunset and dolphin tour fort walton beach fl" (wrong city) and misses "sunset cruise destin".	**Medium**
Links	"Yes! Crab Island!" → `/crab-island-tours/` (wrong slug). No links to the Dolphin page, FAQ, Contact or the fireworks blog post.	**High**
Images	Only 2 images. The hero is a 1536px PNG photo. Both alts say "Fort Walton Beach" / "Beach Please Charters".	**Medium**

2. Keyword targeting

Keyword	Vol.	KD	Now	Use
sunset dolphin cruise destin	720	31	#41	**Primary**: title, H1, slug
sunset cruise destin fl / sunset cruise destin	720 / 480	51 / 50	#35 / #44	Secondary: H2, meta, intro
sunset dolphin cruise destin fl	590	—	#36	Covered by the primary term
destin sunset dolphin cruise	260	17	#37	Covered
private sunset cruise destin fl	70	—	#35	H3 in the private section
fireworks cruise destin fl / destin fireworks cruise	70 / 40	0	#6	H2 fireworks section with `id="fireworks"`
destin fireworks (schedule intent)	590	29	—	Give this to blog post 2192 ("Front-Row Seat for the Destin Fireworks"), which links here. Mention the schedule here briefly.

> **Decision:** make this the **Sunset Dolphin Cruise** page and keep Fireworks as a strong second section. Fireworks-cruise search volume is too small for its own page. The Daytime Dolphin page (ID 1457) keeps "dolphin tours destin fl"; this page doesn't target daytime dolphin terms.

3. URL & Rank Math changes

Field	Current	Change to
Slug	crab-island-tours-in-destin-fl-2	**destin-sunset-dolphin-cruise**. Add a 301 from the old URL in Rank Math → Redirections. Current rankings are on pages 3–5, so the move is low-risk and high-gain. (This replaces the slug suggested in the homepage changelog §7.)

H2 Destin Sunset Cruise: What to Expect

Check in at 530 Harbor Blvd about 15 minutes early and walk right onto the boat. Your captain heads out through Destin Harbor, past the docks and boardwalk, toward the East Pass and the bay. Our captains know where dolphin pods feed in the evening and slow down when they see them. Most of our guests see dolphins. The sun sets over the water on the way back, so have your camera ready; our crew is happy to take group photos. The trip is relaxed and BYOB, and there's a restroom onboard. It's great for couples, families with kids, and groups of up to 49 guests.

H2 Dolphins in Destin Harbor

Destin's waters are home to Atlantic bottlenose dolphins all year. They often feed near the harbor mouth and the East Pass in the evening. We can't guarantee wildlife, but our captains have a good track record of finding them. By law we watch from a respectful distance and never feed or chase dolphins. Want more dolphin time in daylight? Try our daytime dolphin tour in Destin.

H2 Destin Fireworks Cruise

From late spring through summer, Destin Harbor puts on fireworks **[every Thursday night / on select nights]**, plus big shows on Memorial Day, the 4th of July and Labor Day. Skip the crowded docks and watch from the water. Our 1.5-hour fireworks cruise anchors in the harbor with a clear view of the show and has you back at the dock soon after the finale.

6. Internal linking

Anchor	Target	Note
daytime dolphin tour in Destin	/crab-island-tours-in-destin-fl-2-2-2-2/ (Dolphin page)	new
getting a front-row seat for the Destin fireworks	/the-ultimate-front-row-seat-for-the-destin-fireworks-cruise/	new; that post must link back with "Destin fireworks cruise" → `#fireworks`
Full directions	/contact-bikkini-bottom-boat-charters/	new
See all FAQs	/faqs/	new
Crab Island tours	/crab-island-tours-in-destin-fl/	replaces the broken /crab-island-tours/ button
Destin dolphin tour	Dolphin page	new

Inbound after the slug change: update the homepage card links, the footer ("Sunset and Dolphin Tour" + "Destin Fireworks Cruise" → `/destin-sunset-dolphin-cruise/#fireworks`), the main menu, and the Crab Island Tours page "More Destin Boat Tours" links. Add ILJ keywords "sunset cruise", "sunset dolphin cruise" and "destin fireworks cruise" for page 672. Run Rank Math → Tools → search for the old URL in content after the change.

7. Technical fixes

Issue	Fix	Priority
Sunset Book Now → wrong item	Change to `https://fareharbor.com/embeds/book/bikkinibottomboat/items/550732/?full-items=yes`. Before publishing, check in FareHarbor that 550732 = Sunset & Dolphin and 550737 = Fireworks.	**Critical**
Fireworks Book Now	`…/items/550737/?full-items=yes` (not the generic `/items/` list)	**High**
Slug + 301	Rename to `destin-sunset-dolphin-cruise`. Rank Math auto-redirect on slug change is on by default (VERIFY under Redirections). Then resubmit the sitemap in GSC.	**High**
"Check Rates Below!" ×2	Remove, or follow with real prices in HTML / a FareHarbor item grid (`[fareharbor shortname="bikkinibottomboat" items="550732,550737" view="items"]`).	**High**
Hero image	DSC06651 is a 1536px PNG photo. Convert to WebP (Imagify) and serve 1024w. Alt → **"Sunset over Destin Harbor from the Bikkini Bottom sunset dolphin cruise"**. Preload / `fetchpriority="high"`, no lazy-load.	**Medium**
Fireworks image	IMG-6065 alt → **"Destin Harbor fireworks seen from the Bikkini Bottom fireworks cruise"**	**Medium**
More images	Add 3–4 real photos: a dolphin sighting, guests on deck at sunset, the boat at dusk, fireworks over the harbor. Name files descriptively before upload.	**Medium**
Anchor ID	Elementor section → Advanced → CSS ID = `fireworks` so footer and blog links can deep-link.	**Low**

Add FAQPage (5 Q&As) and BreadcrumbList. Optionally add an Event per holiday fireworks cruise (4th of July) with `startDate`; remove each one after the date passes.

8. Tracking

Item	Setup
Wrong-item audit	In FareHarbor reports, compare Sunset vs Fireworks bookings over the last 12 months against the button. If Fireworks bookings out of season look odd, the mislink probably affected revenue. Note the fix date in GA4 annotations.
Button events	`begin_checkout` with `tour_name` = sunset_dolphin / fireworks (from item ID) and `link_location` = sunset_page.
Redirect monitoring	After the slug change, watch GSC → Pages for the old URL dropping out and the new one being indexed. Track the 404 log in Rank Math for any missed internal links.
Seasonality	Create a GA4 comparison of Fireworks-cruise clicks by month to time the blog/social pushes (late April for Memorial Day, early June for July 4th).
Rank tracking	Track sunset dolphin cruise destin, sunset cruise destin fl, sunset cruise destin, destin fireworks cruise and private sunset cruise destin fl.
