1. Priority Fix List

#	Priority	Area	Issue → Fix
1	P1	Zero-volume target	Focus keyphrase → **"Social Media Management Pensacola"**. H1 **"Pensacola Social Media Management & Advertising"**. Secondary: Pensacola social media marketing, ad agency Pensacola, Facebook ads Pensacola.
2	P1	No local content	Rewrite (§5) around Pensacola audiences: downtown and Palafox, Pensacola Beach tourism, UWF students, the Navy community at NAS Pensacola, and Gulf Breeze and Pace suburbs.
3	P1	Keyword anchors	The first sentence links "Pensacola Social Media Company" → /locations; "Rockstar Marketing" → goo.gl. Replace per §4.
4	P1	Duplicate H1	Content H1 + theme title (*verify*).
5	P2	Paid social as a differentiator	Keep and expand the strongest existing idea (custom audiences, customer-list retargeting, lookalikes) into a full "Facebook & Instagram Ads" H2. That's what "ad agency Pensacola" searchers want.
6	P2	Email mention	The copy says you offer "email campaigns", which is mentioned nowhere else on the site. Keep it only if you offer it (and then add it to /services/).
7	P2	Stock image (4th use)	Replace it with a unique Pensacola image, descriptive alt, not upscaled.

8	P2	Map	A Destin office map on a Pensacola page. Drop it (as on the Pensacola SEO page) and use NAP + "we come to you".
9	P2	Meta	Template title; the description is 162 characters, so it gets cut off. New values in §2.
10	P3	Copy errors	"Twitter" → X; "Pinterest etc." → a full list; "Companies vast" → "Company's wide range".
