1. Summary

Area	Current state	Priority
Broken "Google search" link	"Sunset Cruises" links to `https://www.google.com/search?q=https://bikkinibottomboat.com/sunset-cruises/`, a Google results page for a URL that doesn't exist on your site (an AI/paste artifact). Visitors who click your own product go to Google, where they can find competitors.	**High**
Keyword mismatch	Focus keyword "Spa Destin FL", but the spa is in **Mary Esther** (west of Fort Walton Beach), not Destin. "spa destin fl" (210, KD 34) and "massage destin fl" (720) belong to Destin spas. The partner's brand, "a day away massage and spa", gets **590/mo (KD 33)**, a better and accurate target.	**Medium**
Partner links	**5 links** to adayawayfl.com. Reduce to 2; `rel` per relationship.	**Medium**
Own links weak	3 links to the homepage (one "Reserve your charter" CTA). "bachelorette party", "Crab Island" and "dolphins" are unlinked.	**Medium**
Headings	A bold paragraph acting as a heading ("Sun, Sand, and... Serenity?"); H3s and H4s with no H2; `<strong>` inside headings.	**Medium**
Meta / misc	SEO title and meta empty. Long slug. Crab Island guide list at the end. Empty paragraph.	**Low**

2. Keyword targeting
